EXPLANATORY NOTE

14th CONVOCATION 2015

The Convocation

The convocation, a long established tradition in universities all over the world, is a great celebration observed by academia where degree candidates are presented by the university faculty and administration to the degree awarding body of the university and where degrees are ceremonially awarded. The Chancellor of the university heads this body and confers the degrees as recommended.

Degree Awarding Authority

The Chancellor or when authorized by him the Vice Chancellor or any other appropriate person, confers degrees to the graduating candidates on approval/recommendation by the Academic Council of the University, headed by the Vice Chancellor.

The Academic Procession

The Academic Procession is an essential part of convocations all around the world. It is a colorful but solemn event where graduating students, faculty members, members of the Academic Council, members of the Syndicate, members of the Board of Trustees, and senior administrative staff of the university participate.

The participants in their ceremonial dress join the convocation procession and enter the convocation venue. The Convocation Marshal leads the procession into the venue. The degree candidates take their seats in an area of the venue reserved for them.

Faculty members join the procession in ascending order of seniority. They enter the venue and take their seats alongside the degree candidates. They are followed by the members of the Academic Council and Syndicate.

The Chancellor in a procession preceded by the Special Guest, the Vice Chancellor, the President of the Board of Trustees, the Pro Vice Chancellor, the Convocation Speaker and the members of the Board of Trustees of East West University, enter the Convocation venue.

Once the procession has reached the designated area and all are in place, the formal convocation ceremony

begins. The Vice Chancellor, President, Board of Trustees and Convocation Speaker deliver their speeches. Then the graduating candidates are presented to the Chancellor for the conferment of degrees. Special Awards and Gold Medals for academic achievements are also awarded at this time. A student selected from amongst the graduating class as the Valedictorian addresses the gathering; the Special Guest then delivers his/her address. Finally, the Honorable Chancellor of the University addresses the Convocation. The Convocation Marshal conducts the entire ceremony.

At the conclusion of the ceremony, the Chancellor, the Special Guest, the Vice Chancellor of East West University, the President of the Board of Trustees of East West University and other dignitaries leave the site of the ceremony in procession, followed by the members of the Syndicate, Academic Council, faculty and graduating students. The ceremony concludes when the procession departs from the venue. This is the conclusion of the first session of the Convocation Ceremony. In the second session, the Vice Chancellor of East West University gives certificates to the graduates on behalf of the Chancellor.

Academic Apparel

The academic apparel of East West University has been specially designed in line with the academic regalia used in most American and Commonwealth universities. The gowns worn by participants are generally black, but their designs vary. The different colors of the tassels and the hoods distinguish faculty members of one department from those of other departments.

The hood, which resembles the medieval cowl, is the most distinctive feature of the academic regalia. Its satin panel is visible from the front and indicates the general field of a degree by its color.

The Convocation apparel for all bachelor degree candidates is black and they don black square mortarboards on their heads. The colors of the tassels on their mortarboards indicate their fields of study.
