East West University (EWU) organised a day-long 'Job Fair and Career Search' programme on the university premises in the Dhaka's Aftabnagar area on Saturday.

There were 87 renowned national and multinational companies and more than 3,000 graduates participated in the fair.

The inaugural ceremony of the fair was attended by EWU Board of Trustees Chairperson and Apex Group Chairman Syed Manzur Elahi; EWU Chief Adviser and Bangladesh Bank former governor Prof Mohammed Farashuddin; US Embassy in Bangladesh Public Affairs Counselor Stephen F Ibelli; EWU Vice-Chancellor Shams Rahman; and EWU Department of Business Administration Chairperson Farhana Ferdousi.

Speakers at the fair appreciated the

initiative at the EWU campus. Speakers expect that a bridge will be established between industry and academia which will be beneficial for both parties, according to the release.

In addition, students will get more opportunities to apply to various corporate organisations under one umbrella. Further, they can prepare themselves by knowing the needs of the recruiters.

Stephen F Ibelli stated that the enrollment rate of Bangladeshi students in the United States has tripled in the last decade and they are happy with the contributions of these students.

He urged them to apply for more jobs in the US embassy as well as other institutions associated with the United States.

Members of the board of trustees of EWU, faculty members, officials, and personnel of various corporate organisations were present at the ceremony.
