STATE MINISTER

MINISTRY OF EDUCATION
GOVERNMENT OF THE PEOPLE'S REPUBLIC OF BANGLADESH

I am delighted to know that East West University is holding its Fourth Convocation and congratulate the graduates and the EWU faculty and staff on this auspicious occasion.

In this regard let me mention here that since its establishment in 1996 under the Private University Act, 1992, East West University has been making constant efforts to materialize its vision and mission of imparting state-of-the-art education. With its motto of 'excellence in education' EWU is equipping our student community—our real hope and future—with proper academic knowledge and leadership skills needed to meet the demands of the increasingly complex and competitive world around us.

I do believe that the graduates of East West University are fully aware of the daunting task ahead of them—the task of serving the nation with full devotion and dedication. May the Almighty grant them all success in life.
