10th Convocation

EXPLANATORY NOTE

10th CONVOCATION 2011

The Convocation

The convocation, a long established tradition in universities all over the world, is a great celebration observed by academia where degree candidates are presented by the university faculty and administration to the degree awarding body of the university and where degrees are ceremonially awarded. The Chancellor of the University heads this body and confers the degree as recommended.

Degree Awarding Authority

The Chancellor, or when authorized by him the Vice Chancellor, or any other appropriate person, confers degrees to the graduating candidates on approval/recommendation by the Academic Council of the University, headed by the Vice Chancellor.

The Academic Procession

The Academic Procession is an essential part of convocations all around the world. It is a colorful but solemn event where graduating students, faculty members, members of the Academic Council, members of the Syndicate, members of the Board of Trustees, and senior administrative staff of the university participate.

The participants in their ceremonial dress join the convocation procession and enter the convocation hall. The Convocation Marshal leads the procession into the hall. The degree candidates take their seats in an area of the hall reserved for them.

Faculty members join the procession in ascending order of seniority. They enter the hall and take their seats alongside the degree candidates. They are followed by the members of the Academic Council and Syndicate.

The Chancellor in the procession preceded by the Education Minister, the President of the Board of Trustees, the Vice Chancellor, the Pro Vice Chancellor, the Convocation Speaker and the members of the Board of Trustees of East West University, enters last in the Convocation Hall.

Once the procession has reached the designated area and all are in place, the formal convocation ceremony begins. The Vice Chancellor, President, Board of Trustees and Convocation Speaker deliver their speeches. Then the graduating candidates are presented to the Chancellor for the conferment of degrees. Special Awards and Gold Medals for academic achievements are also awarded at this time. A student selected from amongst the graduating class as the Valedictorian addresses the gathering; the Education Minister then delivers his address. Finally, the Honorable Chancellor of the University addresses the Convocation. The Convocation Marshal conducts the entire ceremony.

At the conclusion of the ceremony, the Chancellor, the Education Minister, the President of the Board of Trustees, Vice Chancellor of East West University and other dignitaries leave the site of the ceremony in procession, followed by faculty members and graduating students. The ceremony concludes when the procession departs from the hall.

Academic Apparel

The academic apparel of East West University has been specially designed in line with the academic regalia used in most American and Commonwealth universities. The gowns worn by participants are generally black, but their designs vary. The different colors of the tassels and the hoods distinguish faculty members of one department from those of other departments.

The hood, which resembles the medieval cowl, is the most distinctive feature of the academic regalia. Its satin panel is visible from the front and indicates the general field of a degree by its color.

The Convocation apparel for all bachelor degree candidates is black and they don black square mortarboards on their heads. The colors of the tassels on their mortarboards indicate their fields of study.

EXPLANATORY NOTE

10th CONVOCATION 2011

Tassel colors for East West University degrees and departments are as follows:

Business Administration	: Sea Green
Economics	: Olive Green
English	: Lilac
Social Sciences	: Blue
Computer Science and Engineering	: Golden Yellow
Electronics and Communications Engineering	: Indigo
Electrical & Electronic Engineering	: Pearl White
Pharmacy	: Orange

Master Degree candidates wear hoods of their departmental color in addition to gowns and mortarboards.

East West University faculty members wear black gowns with black velvet on their lapels with piping of departmental color and three black velvet bands with departmental color piping on each sleeve. The disciplines of the faculty members are distinguished by the color of the tassels and hoods.

The Chancellor, Education Minister, Vice Chancellor, Pro Vice Chancellor, Convocation Speaker, members of the Board of Trustees of East West University, Deans, Convocation Marshal, members of the Syndicate and Academic Council wear especially designed regalia.

East West University Logo

The logo of East West University has been designed to reflect the chief objective of the university, which is the dissemination of modern and quality education at a reasonable cost. The overall structure pointing upwards signifies human development towards a higher quality of life.

The lower right hand white portion includes the globe and represents enlightenment through acquisition of knowledge from all over the world. The outflow of the motto, "excellence in education" connotes the creation of knowledge that is boundless. The color of the EWU logo is deep blue.

East West University Flag

The color of the EWU flag is deep blue and a pearl white EWU emblem is placed in the middle.

East West University Departmental Buntings

Different academic departments have their own colored satin buntings. The colors are:

Business Administration : Sea Green

Economics : Olive Green

English : Lilac

Social Sciences: Blue

Computer Science and Engineering : Golden Yellow

Electronics and Communications Engineering : Indigo

Electrical & Electronic Engineering : Pearl White

PROFILE

EAST WEST UNIVERSITY

Mission Statement

In keeping with its name, East West University, is an institution that promotes eastern culture and values, and meaningfully blends eastern and western thought and innovation. As an institution of higher learning that promotes and inculcates ethical standards, values and norms, and one of the top private university of Bangladesh, East West University (EWU) is committed to the ideals of equal opportunity, transparency, and non-discrimination.

The primary mission of EWU is to provide, at a reasonable cost, tertiary education characterized by academic excellence in a range of subjects that are particularly relevant to current and anticipated societal needs. Central to the university's mission is its intention to provide students with opportunities, resources and expertise to achieve academic, personal and career goals within a stimulating and supportive environment. EWU is striving not only to maintain high quality in both instruction and research, it is also attempting to render community service through dissemination of information, organization of training programs and other activities. Sensitive to the needs of its students and staff, EWU is committed to providing a humane, responsive and invigorating atmosphere for productive learning and innovative thinking.

History

The idea of establishing a private university to provide quality education at an affordable cost in Bangladesh was first mooted by a group of prominent academics, business leaders, professionals and education enthusiasts led by Dr. Mohammed Farashuddin. With this end in view, this group formed a non-profit, non-political, charitable organization called Progoti Foundation for Education and Development (PFED). East West University is its first major project. Members of the Board of Directors (present name Board of Trustees) of the University are: Mr. Jalaluddin Ahmed, Mr. S.M. Nousher Ali, Mr. Farooque B. Chaudhury, Dr. Rafiqul Huda Chaudhury, Syed Manzur Elahi, Dr. Mohammed Farashuddin, Mr. Mohammed Zahidul Haque, R.Ph., Dr. Saidur Rahman Lasker, Dr. Muhammad A. Mannan, Professor Dr. M. Moslehuddin, Mr. Shelley A. Mubdi, Mr. M.A. Mumin, Dr. Khalil Rahman, Mr. H.N. Ashequr Rahman and Mrs. Razia Samad. After being accorded permission by the Government under the Private University Act (Act 34) of 1992, East West University was launched in 1996. Classes started in September

1996 with 6 faculty members and 20 students in the present campus located at 43, Mohakhali Commercial Area, Dhaka. At present, there are over 264 faculty members and approximately 6431 students enrolled through a process of selection.

Facilities & Amenities

Computing and Lab Facilities at East West University

(a) Internet and Computing Facilities

Information and Communications Services (ICS) supports a total of 733 + computers along with computer-related equipments of all functional departments/sections of the university.

To support the hands-on-lab practices for different computation intensive courses, EWU has established 7 (seven) computer labs equipped with more than 260 computers and printers of various ranges. The operating support systems are Windows, Linux, Solaris, etc. The programming languages and package support include C/C++, Java, Fortran, Oracle, MatLab, Visual BASIC, SPSS, MS-SQL Server, MySQL, PHP, .NET etc through Information & Communications Services (ICS) section. ICS works directly under the office of the Vice-Chancellor to facilitate computer lab facilities to students and to maintain computer hardware, software, multi-media systems, networking systems, and the email service of the University.

East West University has internet facility of 6.5 Mbps band width and 512 Kbps VSAT back up. ICS maintains the service for smooth continuation of internal connectivity. It also provides in-house training to employees of the university to improve their computing skills.

(b) Lab Facilities

The science and engineering education programs at East West University emphasize hands-on-experiences of students in labs. University labs play a central role in supporting faculty and student research. For these reasons, the university is committed to developing and maintaining state-of-the-art labs for students and faculty members. East West University has developed one of the best lab facilities in the country for computer science and engineering, information and communication engineering, electrical and electronic engineering, electronics and telecommunication engineering and pharmacy programs. The engineering labs are shared by the three engineering departments, namely, Computer Science and Engineering (CSE), Electronics and Communications Engineering (ECE), and Electrical and Electronic Engineering (EEE). The Pharmacy labs are used by students and faculty members of the Pharmacy as well as by engineering students for their chemistry courses.

The following is a description of the labs within the Faculty of Sciences and Engineering.

Electrical Circuits and Machines Lab: This lab has state-of-the-art Lab-Volt electro-mechanical training systems that can be used to carry out experiments on DC machines, transformers, induction motors, and synchronous machines. This laboratory also has inductor, capacitor, and resistor banks, single and three-phase variable AC power sources, DC power supplies, oscilloscopes, signal generators and various types of measuring instruments to enable students to conduct experiments on electrical circuits. In addition, the electrical circuits and machines laboratory houses modern high-frequency signal generators, high-frequency digital storage oscilloscopes, true RMS (AC+DC) volt and current meters, and a LCR meter with computer interface to facilitate research.

Electronics Lab: Work related to electronics and power electronics courses is performed in this lab. It is equipped with modern digital storage oscilloscopes, analog and digital trainer boards, signal generators, DC power supply and all types of IC chips, small-signal MOSFETs, BJTs and other semiconductor devices.

Switchgear and Control Systems Lab: Experiments and project works on switchgear, controls and data acquisition are done in this lab. The lab has five sets of ADVANTECH data acquisition cards run by dual-core computers to detect various types of electrical faults and subsequent operations of relays on custom-made fault simulation boards. This lab also houses five sets of Siemens PLC (S7-1200) with necessary input/output modules and proprietary computer interface software tools. PLC sets are used to train students on modern industrial control systems.

VLSI Lab: Design and simulation type lab work is performed in the VLSI Lab. It has more than 40 state-of-the-art dual core workstations and 2 servers running on both MS Windows and Linux platforms. A wide range of engineering and design software tools, including ADS, MAGIC, HSPICE, ANSOFT, MATLAB, PSPICE, etc. are available in this lab. ADS, MAGIC and HSPICE are advanced industry standard EDA tools used worldwide in design and research.

Software Engineering Lab: The Software Engineering Lab is equipped with a HP Server, 30 Lenovo desktop computers, and a multimedia projector. All the computers of the lab are networked

and use CISCO switches. The lab provides a range of software to support lab classes and research works in the broad field of Software Systems including programming, database systems, information system design, software engineering, computer networking, and high-performance simulation and modeling.

Digital Systems Lab: The Digital Systems Lab is equipped with instruments that range from digital storage oscilloscopes, digital trainer boards, micro-controllers, interfacing adapters, data acquisition cards and other supporting peripherals. It also provides hardware devices for FPGA design. Projects related to digital logic design, computer interfaces and embedded systems are pursued in this lab.

Telecommunication Lab: The purpose of the Telecommunication Lab is primarily to offer hands-on experience to students for training and research by providing them scope for practical demonstrations and enabling exercises for courses in communications. The TIMS equipment set constitutes an important part of this lab. This set consists of TIMS-301 basic system, PC based virtual instruments, TIMS-Interactives for simulation, and Emona TIMS advanced modules. The lab also contains microwave trainers, DSP trainers, cellular mobile trainers, analog communication trainers, digital communication trainers and optical fiber communication trainers. The university is in the process of procuring additional equipments for experiments in RF, antenna and microwave, and telecommunication switching and signaling.

Computer Communications and Networking Lab: This lab has been established recently. It is equipped with one high performance server, twenty work stations, switches, routers, networking kits, radio equipment for short distance indoor and outdoor wireless networks, point-point XDSL/VDSL/HDSL and other supporting instruments.

Physics Lab: The Physics Laboratory is equipped with modern instruments for carrying out everyday physics experiments. The dark room facility helps students in carrying out optical experiments.

Laboratory Facilities in the Department of Pharmacy

The Department of Pharmacy has seven laboratories for students and faculty members where they can perform experiments. Different individual laboratories are well equipped with modern equipments for individual courses. In addition to supporting the lab requirements of pharmacy

courses, these labs also provide necessary infrastructure for research activities.

The laboratories are equipped with the following equipment/instruments:

PC based Automated Binary Gradient High Performance Liquid Chromatography (HPLC) Prominence system with Refractive Index (RI) detector and Photodiode Array (PDA) detector.

Shimadzu PC based Fourier Transform Infrared Spectrophotometer (Prestige-21) with RI solution software including Temperature controlled High-sensitivity DLATGS Detector and Advanced Dynamic Alignment system.

Shimadzu Gas Chromatography system with Flame Ionization Detector, Flame Thermionic Detector, Electron Capture Detector.

Other equipment/instruments are as follows:

Thermocycler for PCR
ELISA
High Resolution Centrifuge
Gel Electrophoresis
Polarimeter
Refractometer
Karl Fisher Water Determination Apparatus
Rotary Evaporator
Single Punch Tablet Machine
Capsule Filling machine
Disintegrator
Dissolution Apparatus
UV-Visible Spectrophotometer
High Resolution Microscopes
Freeze Dryer
Filtration Pump
Incubator
Carbon Dioxide Incubator
Fundamental Chromatographic Instruments as well as other supporting equipments

The East West University Center for Research and Training (EWUCRT)

The primary objective of the Center is to create knowledge through academic and applied research and disseminate acquired knowledge through seminar, symposium, workshop, training and publication. The EWUCRT operates through a Research Committee comprising representatives from the Board, Deans and Chairs of the Academic Departments. The Center is currently chaired by Dr. Rafiqul Huda Chaudhury, Member, Board of Trustees of the University. At present, Dr. Bijoy P. Barua holds the position of the Executive Director of the Center.

Academic Research Grants

The EWUCRT extends grants to the faculty members of the University to enable them to conduct academic research to nurture and cultivate new knowledge in diverse areas and share the experience among learners. Over the years, the University has supported several research projects run by faculty members. The core value of this noble initiative lies in the promotion of empirical research among the faculty members of the University.

In the calendar year of 2010, the grants were given to support the following faculty research projects:

- An appraisal of the problems and prospects of SME in Bangladesh
- Activity based costing in Bangladesh: an empirical study on the level of sophistication

Academic Publications

Having recognized the growing importance and demand of quality research in the areas of humanities and culture, global business, marketing, and sustainable development, EWUCRT publishes two academic journals - *East West Journal of Business and Social Studies* and *East West Journal of Humanities*. These annual academic journals are aimed at upholding academic standards and encouraging high quality research.

The Center also publishes working papers, occasional papers and annual research abstracts of faculty members of the University in order to disseminate and share knowledge for the purpose of creating a strong intellectual bond and network among faculty members of the University and the outside academic world. The Annual Abstract series of 2009 included a total of 106 abstracts of research articles, scholarly books and book chapters, and conference presentations.

Seminars, Symposiums and Public Lectures

EWUCRT plays a leading role in organizing seminars, symposiums and public lectures on contemporary issues such as environmental concerns, good governance, globalization, social conflicts, social movements, marketing, media and sustainable development. In a recent seminar a good number of national and international scholars and academics were invited by the Center to share their research findings. In 2010 the Center has also sponsored research symposiums on the following topics:

- Isolation and Identification of the Causative Organisms on Street Vended Food Samples Collected from East West University Campus Area
- Total Quality Management and Organizational Performances: A Causal Path Analysis

Training Programs

The EWUCRT also facilitates professional trainings in the areas of business, population health, marketing, finance, banking, and social development issues for various international and national organizations. In 2010 the Center organized a training course entitled, 'Contemporary Policy and Law' in collaboration with Unnayan Shamannay, Bangladesh and CUTS-International India. The training was organized with financial support of Bangladesh Investment Climate Fund, managed by IFC Advisory Services in South Asia in partnership with DFID and the European Union.

Consulting and Policy Research

The Center is open to the idea of carrying out applied and policy research in the areas of finance, corporate business, management, environment and ecology, and sustainable development in order to address the needs of multilateral, bilateral, and national organizations. In this endeavor, faculty members of the University have been continuously engaged in such activities.

Software Development Center (SDC)

The mission of the Software Development Center (SDC) is to provide EWU students with real-world experience in designing and developing quality software for offices, banks, institutions and industries. The Software Development Center at EWU is a member of BASIS (Bangladesh Association for Software and Information Services) and incorporates industry expertise for true software innovation. It has the potential to use the resources of the World Wide Web. SDC believes in simplicity and efficiency. It intends to integrate object-oriented programming (OOP) concepts with the World Wide Web by providing unique software development services along with training and mentoring programs of global IT standard.

Career Counseling Center (CCC)

The Career Counseling Center provides appropriate guidance to students about their career plans. The center liaisons with prospective employers and arranges internships and jobs for students and graduates. The CCC works to place students with leading business organizations of the country who can expand their activities by utilizing fresh mind imbued with modern skills and expertise. As a forerunner among private universities in Bangladesh, the center endeavors not only to ensure excellence in education but also to help students find suitable careers. The center organizes job fairs, workshops, seminars, corporate presentations and symposia on regular basis for both career seeking individuals, participating companies and potential employing bodies to facilitate interaction and to know each other's needs and priorities. Besides, one of the emerging job portals in Bangladesh, prothom-alojobs.com, has established a linkage with the Career Counseling Center to extend job services to East West University graduates.

PROFILE

EAST WEST UNIVERSITY

EWU Library

Aiming to provide continuous educational opportunities and fulfill the University's mission, East West University Library started its journey with the university in 1996. From then on the Library has been playing an essential part in the university through its various services and facilities. The Library has been designed to meet the information, research and curriculum needs of students, faculties, and staff members for research, and development activities. ICT-based EWU Library provides maximum IT based library services to its users. Overall library activities are based on a customized library software named Library MIS developed by Software Development Centre (SDC). Now the Library is seen as a model of an automated library by other academic and non-academic libraries in Bangladesh.

Objective of the library

To support the university community in developing life-long skills in innovative and analytical thinking, research and information literacy, and by providing distinctive collections, services, facilities and programs.

EWU Library Website

Address: <http://lib.ewubd.edu>

The EWU Library website provides necessary links to users; they can also avail most of the library's online facilities through the internet from anywhere. The information available in the EWU Library website is as follows:

Online access facilities: East West University Library is a member of the INASP-PERI Consortium (BIPC) for getting access to full-text articles, abstracts, and bibliographical information of online journals of different publishers on different disciplines through the Bangladesh Academy of Sciences (BAS).

Corporate Membership: EWU Library has corporate memberships with British Council Library, Dhaka, and American Information Centre (Archer k. Blood American Center Library). With these memberships EWU library users may avail browsing facilities, search Online Public Access Catalogues, avail photocopy services, and access online journal of those institutions.

Present Status of Library Resources

At present the collections of EWU Library are as follows:

Description of Items	Quantity
<input type="radio"/> Books	<input type="radio"/> 23,705 (As of Dec 2010)

13. Information Science & Library Management.	

In addition users may avail the following services:

- Internet services
- Reference services
- Current Awareness Services
- Selective Dissemination of Information Services

Other Facilities of the University

Other facilities of the university include:

- Spacious air-conditioned classrooms
- Free e-mail and Internet access
- Medical Center
- Prayer Room
- Cafeteria
- Study Rooms
- Separate Male & Female Common Rooms with indoor game facilities and television.

Student Welfare Activities (SWA)

The primary objective of the Student Welfare Activities (SWA) office is to emphasize the wholeness of the university experience through synchronized development of body, mind and spirit. It emphasizes enhancing student experience through 'out of classroom learning' and through co-curricular programs. More specially the objectives of this office

are as follows:

- Relating with student bodies at national and international levels.
- Providing opportunities for community service activities.
- Creating an environment for participation in co-curricular activities.

The university has a range of students clubs under the supervision of this office to promote various activities in different areas; these include:

1. East West University MBA Club.
2. East West Business Club (EWUBC)
3. East West Creative Marketing Club (EWUCMC)
4. EWU Photography Club
5. EWU Rotaract Club
6. East West University Debating Club
7. EWU English Conversation Club
8. EWU Environmental & Social Club
9. EWU Club for Performing Arts
10. EWU Sports Club
11. EWU Telecommunication Club
12. EWU Pharmacy Club
13. East West University Electronics Club
14. East West University Science Club
15. EWU Computer Programming Club
16. IEEE Student Branch, East West University

Major activities of these clubs include:

- Seminar and workshops
- Study Tours
- Community Volunteer Work
- Club Fairs
- Cricket, Football and Indoor Games Tournaments
- Celebration of national and international events such as Pohela Boishakh, International Mother Language Day, Independence Day, Victory Day
- Drama
- Cultural Programs
- Voluntary Blood Donation Campaigns
- Art, Photography and Hobby Exhibitions
- Competition in Art, Debate, Music, Photography, Computer Programming, Business Plan
- Research
- Help groups/ Help sessions

The Student Welfare Office emphasizes the wholeness of university experience through synchronized development of body, mind and spirit.

10th Convocation

Scholarships and Financial Aids

Since its inception, East West University has been awarding merit scholarships and need-based financial assistance to deserving students. Each year the university distributes at least 9% of its total earnings among 20% or more of its regular students. Such scholarships/financial assistance are not available to those students who have already spent the normal study time required for the programs for which they are enrolled (e.g. Bachelor's Degree program students are not eligible for any scholarship/financial aid beyond the four years that are required to complete the course as a regular student. Similarly, students of Master's Degree program are also not eligible for any scholarship/financial aid beyond the two/one year(s) that are required to complete the course as a regular student). No student of the university is entitled to benefit from more than one scholarship/financial aid facility at any point of time.

According to the provision of the Private University Act, 2010, private universities are required to provide scholarships to 6 (six) percent of its enrolled poor but meritorious students (Among which 3 (three) percent is to reserve for the wards of the Freedom Fighters). Since its inception, the founders of East West University have adopted a policy of not paying any profit or dividend to themselves but have been using a good part of its operating surplus towards nurturing merit and providing financial support to students in need. In the last twelve years, the scholarship and financial aid policy adopted by East West University has become a source of great encouragement to meritorious but financially constrained students. The academic world has greeted this policy pursued by East West University enthusiastically.

Benefits to students are awarded in the following forms:

1. Merit Scholarships

EWU has generous merit scholarships/financial aid programs. The sum of Taka 2,89,55,780 (two crore eighty-nine lakh fifty-five thousand seven hundred

and eighty) only was awarded to 923 students in 2010. Full-year tuition waiver merit scholarships (for a maximum of one-fourth of the total credit requirement of the program for undergraduate students) are awarded to:

(i) Top scorers in the undergraduate admission test with a minimum score of 75% marks: three (3) from the Faculty of Business and Economics, and one (1) each from the Faculty of Sciences & Engineering and

the Faculty of Liberal Arts and Social Sciences; top scorers in the graduate admission test with a minimum score of 75% marks: one each in MBA and Telecommunication Engineering, provided that at least 20 students get admitted to the program. The continuation of this scholarship is contingent upon maintaining a minimum CGPA of 3.50 and abiding by the rules and regulations and University's Code of Conduct for students at all time.

(ii) Candidates securing GPA 5.00 (excluding 4th subject) in both SSC and HSC (in the most recent relevant examination year) will be awarded 100% Merit Scholarship at entry level for 4 years, subject to maintenance of GPA of 3.50 in each semester;

(iii) Students securing GPA 5.00 in the most recent HSC Examination (this will be applicable only for six students from six divisions who are from poor financial background); The continuation of this scholarship is contingent upon maintaining a minimum CGPA of 3.00 and abiding by the rules and regulations and University's Code of Conduct for students at all time.

(iv) Candidates securing 7 (seven) A's in 'O' Level Examination (at one sitting) and 3 (three) A's in 'A' Level Examination (in one year) will be awarded 100% Merit Scholarship at entry level for 4 years subject to maintenance of GPA 3.50 in each semester;

(v) A committee will assess and recommend for scholarship/financial aid etc. for foreign students and students from other systems.

(vi) Top 10% students (10% of the actual number of students of each batch of each department enrolled during the immediate past year (two semesters for one year Graduate programs) of each batch of each department of Undergraduate programs who have completed at least one-fourth of the total credit requirement (for Graduate programs requirement of credit and time duration varies from program to program) of the program during the immediate past year, with a CGPA of 3.97 and above will get full-tuition free Merit Scholarships for equal number of credits to be adjusted in the next three consecutive semesters and those with CGPA of 3.90 to CGPA 3.96 will get half-tuition free Merit Scholarships for equal number of credits to be adjusted in the next three consecutive semesters.

On the basis of the above principle students of graduate programs also get Merit Scholarship but requirements of credit for the scholarship vary

depending on the total credits of the program and the length of program as well.

In cases of a batch where 6 or less students fulfill the scholarship requirement (i.e., completed at least one-fourth of the degree requirement with a CGPA of 3.90 or better), only the top student will be entitled to receive one scholarship. The award will go to the best performer among students securing CGPA 3.90 or better. For calculation of the number of scholarships in each batch, the number will be rounded up if the fraction is 0.5 or above. Merit Scholarships are extendable, subject to fulfillment of requirement (vi) above. To avail Merit Scholarships undergraduate students must register for at least three courses (9 credits) in each semester. (For the students of B.Pharm. this requirement is at least four courses. This credit requirement for graduate programs varies program to program ranging from 6 to 8 credits) The Merit Scholarship will be discontinued if any student of the undergraduate or graduate program violates the East West University Disciplinary Code for students' and/or if his/her CGPA falls below 3.50. To be eligible for Merit Scholarship/Financial Aid a student of Undergraduate Program must earn credits as mentioned in the table below in the last three consecutive semesters:

Undergraduate Programs	Credits
Bachelor of Business Administration	30
BSS in Economics	30
BA in English	30
B.Sc. in Electronic & Telecommunication Engineering	35
B.Sc. in Information and Communications Engineering	35
B.Sc. in Computer Science	33
B.Sc. in Computer Science & Engineering	35
B.Sc. in Electrical & Electronic Engineering	35
Bachelor of Pharmacy	40

To be eligible for Merit Scholarship/Financial Aid a student of Graduate Program must earn credits as mentioned in the table below in the last three/two consecutive semesters (which ever is applicable for whom)

Graduate Programs	Credits
MBA	29
EMBA	24
MBM	29
MDS	22
MA in English (45 credits Program)	24
MA in English (36 credits Program)	18
MA in English Language Teaching	21-33
MS in CSE	19
MS in TE	18-20
Master of Population, Reproductive Health, Gender and Development (MPRHGD)	21

2. Directors' Scholarships

Each of the fifteen Founder Directors of the university, at a point of time, awards two full-tuition scholarships to two students or splits the scholarships into half or quarter tuition waiver/scholarships. This is renewable at the discretion of the Founder Director concerned unless the recipient scholar performs poorly.

3. Financial Aid

(a) General

At the beginning of each semester, the university considers applications on prescribed forms for the granting of financial aid to deserving students on a need-cum-merit basis. Undergraduate applicants who have completed at least one-fourth of the total credit requirement of the program during the immediate past year with a minimum prescribed CGPA of 2.70 and with demonstrated financial need are offered financial assistance to cover part of the tuition fees. The actual amount depends on the number of applicants and the availability of funds. This is by far the largest component of the funding support both in terms of the amount of money as well as the number of recipients. Students of Graduate applicants who have completed credits requirements as mentioned in the above table in the last three/two consecutive semesters (which ever is applicable for whom) with a minimum prescribed CGPA of 3.00 and with demonstrated financial need are offered financial assistance to cover part of the

10th Convocation

tuition fees. Financial assistance is also extendable on fulfillment of the above requirements.

(b) Family Concession

When two siblings (brother/sister with the same parents) study simultaneously at East West University, the second sibling is entitled to a half-tuition waiver. However, both must be admitted full-time into regular programs. The benefit commences on the date of admission of the second sibling and ceases on the discontinuation of the study of any one of them, after his/her graduation or for any other reason. This benefit may extend up to the third sibling under the above-mentioned conditions. A merit scholarship awardee cannot qualify to get the benefit for siblings or other similar benefits.

If either of the siblings maintains a minimum CGPA of 2.70, while the other maintains a minimum passing CGPA (2.00 for Undergraduate Programs, 2.50 for Graduate Programs) the sibling benefit will be awarded and continued for the one who maintains the CGPA of 2.70. In case of the newly admitted students, if the first sibling could maintain the minimum CGPA of 2.70 the sibling benefit would be awarded to the second sibling provided the first sibling is not currently receiving any merit scholarship/ financial aid from the EWU.

(c) Freedom Fighters' Scholarship

As a mark of respect to the valiant freedom fighters of the War of Liberation and Independence, the university reserves 5% admission quota for the wards of freedom fighters of all categories, subject to their fulfillments of the minimum admission requirement at East West University. The university also considers maximum 100% tuition waiver scholarship to the wards of wounded, deceased and financially needy freedom fighters, subject to the fulfillment of the following requirements:

The following scholarships are currently being offered under the Medha Lalon Fund scheme :

1 Sujat Ali Mazumder Scholarship	Tk. 35,000 a year
2 Anjuman Ara Begum Scholarship	Tk. 35,000 a year
3 S.M. Sahiruddin Scholarship	Tk. 35,000 a year
4 Rowshan Ara Begum Scholarship	Tk. 35,000 a year

The candidate must qualify in the EWU admission test; the candidate must provide proof that his/her parent was a freedom fighter. The Tuition Fee waiver as above will then be continued provided that the CGPA in each semester remains 2.70 or more.

To avail financial aid, undergraduate students must register for at least three courses (9 credits) in each semester. (For the students of B.Pharm. this requirement is at least four courses) Financial Aid is discontinued if any student of undergraduate or graduate program violates the East West University Disciplinary Code for students and/or if his/her CGPA falls below 2.70. The same is applicable for the beneficiaries of siblings and other similar cases and for Freedom Fighters' Scholarship.

4. The Medha Lalon Fund

In order to be able to extend further support towards nurturing merit, particularly to students from middle-class background, to female students, and to students from outside the metropolis, the Board of Directors of East West University set up in 2002 a scheme called the East West University Medha Lalon Fund with an initial endowment of Taka one and a half crore. The Board has also sanctioned an amount of Taka one crore thirty lakhs from the operating surplus of the university for the Fund. This is in addition to the disbursement each year on regular components such as the merit scholarships and financial aid. Several philanthropic persons/organizations have contributed a combined amount of Taka twenty-seven and a half lakh to the Medha Lalon Fund. This need-cum-merit based financial aid is awarded from the annual earnings of the East West University Medha Lalon Fund deposited in a lucrative five-year interest earning Scholarship Deposit Account of Mercantile Bank.

10th Convocation

The East West University Medha Lalon Fund is administered by the Financial Aid Committee of the university. To procure such aid, students must apply on a prescribed form. Applications are processed based on information provided by the applicants and according to the criteria set by the university and is subject to change at its discretion. Selection of scholars and financial aid beneficiaries is done through a computerized system that ensures full transparency.

The university charges a minimum amount (less than one percent) as administration costs from the earnings of the East West University Medha Lalon Fund. It ensures maintenance of regular accounts of the Medha Lalon Fund and has the accounts audited externally every year.

The Financial Aid Committee keeps Medha Lalon Fund donors informed about the operation of the funds on a regular basis.

The Committee arranges meetings with East West University Medha Lalon Fund donors to apprise them of operating procedures, scholarship awards and performance of scholarship awardees as well as to seek guidance from them.

As is evident from the table below, the university policy is rather generous in nurturing merit since an increasing percentage of tuition revenue gets ploughed back and goes to deserving students. It is worth noting that the university, as a matter of policy, encourages enrolment of mofussil and rural students who are also, therefore, beneficiaries of the scholarship and financial aid awards. Furthermore, the university has also been consciously endeavoring to increase the proportion of female students who benefit from scholarship & financial aid programs.

The table below shows the number of recipients/beneficiaries of various scholarships and financial aid programs during the last five years:

Sl.	Name of Scholarship/ Financial Assistance	2006		2007		2008		2009		2010
