12TH CONVOCATION 2013

EXPLANATORY NOTE

12TH CONVOCATION 2013

The Convocation

The convocation, a long established tradition in universities all over the world, is a great celebration observed by academia where degree candidates are presented by the university faculty and administration to the degree awarding body of the university and where degrees are ceremonially awarded. The Chancellor of the university heads this body and confers the degree as recommended.

Degree Awarding Authority

The Chancellor or when authorized by him the Vice Chancellor or any other appropriate person, confers degrees to the graduating candidates on approval/recommendation by the Academic Council of the University, headed by the Vice Chancellor.

The Academic Procession

The Academic Procession is an essential part of convocations all around the world. It is a colorful but solemn event where graduating students, faculty members, members of the Academic Council, members of the Syndicate, members of the Board of Trustees, and senior administrative staff of the university participate.

The participants in their ceremonial dress join the convocation procession and enter the convocation venue. The Convocation Marshal leads the procession into the venue. The degree candidates take their seats in an area of the venue reserved for them.

Faculty members join the procession in ascending order of seniority. They enter the venue and take their seats alongside the degree candidates. They are followed by the members of the Academic Council and Syndicate.

The Chancellor in the procession preceded by the Special Guest, the President of the Board of Trustees, the Vice Chancellor, the Pro Vice Chancellor, the Convocation Speaker and the members of the Board of Trustees of East West University, enter last in the Convocation venue.

Once the procession has reached the designated area and all are in place, the formal convocation ceremony begins. The Vice Chancellor, President, Board of Trustees and Convocation Speaker deliver their speeches. Then the graduating candidates are presented to the Chancellor for the conferment of degrees. Special Awards and Gold Medals for academic achievements are also awarded at this time. A student selected from amongst the graduating class as the Valedictorian addresses the gathering; the Special Guest then delivers his address. Finally, the Honorable Chancellor of the University addresses the Convocation. The Convocation Marshal conducts the entire ceremony.

At the conclusion of the ceremony, the Chancellor, the Special Guest, the President of the Board of Trustees, Vice Chancellor of East West University and other dignitaries leave the site of the ceremony in procession, followed by faculty members and graduating students. The ceremony concludes when the procession departs from the venue.

Academic Apparel

The academic apparel of East West University has been specially designed in line with the academic regalia used in most American and Commonwealth universities. The gowns worn by participants are generally black, but their designs vary. The different colors of the tassels and the hoods distinguish faculty members of one department from those of other departments.

The hood, which resembles the medieval cowl, is the most distinctive feature of the academic regalia. Its satin panel is visible from the front and indicates the general field of a degree by its color.

The Convocation apparel for all bachelor degree candidates is black and they don black square mortarboards on their heads. The colors of the tassels on their mortarboards indicate their fields of study.

EXPLANATORY NOTE

12TH CONVOCATION 2013

Tassel colors for East West University degrees and departments are as follows:

Business Administration	:	Sea Green
Economics	:	Olive Green
English	:	Lilac
Social Relations	:	Blue
Applied Statistics	:	Sky Blue
Computer Science and Engineering	:	Golden Yellow
Electronics and Communications Engineering	:	Indigo
Electrical and Electronic Engineering	:	Pearl White

Master Degree candidates wear hoods of their departmental color in addition to gowns and mortarboards.

East West University faculty members wear black gowns with black velvet on their lapels with piping of departmental color and three black velvet bands with departmental color piping on each sleeve. The disciplines of the faculty members are distinguished by the color of the tassels and hoods.

The Chancellor, Special Guest, Vice Chancellor, Pro Vice Chancellor, Convocation Speaker, members of the Board of Trustees of East West University, Deans, Convocation Marshal, members of the Syndicate and Academic Council wear especially designed regalia.

East West University Logo

The logo of East West University has been designed to reflect the chief objective of the university, which is the dissemination of modern and quality education at a reasonable cost. The overall structure pointing upwards signifies human development towards a higher quality of life.

The lower right hand white portion includes the globe and represents enlightenment through acquisition of knowledge from all over the world. The outflow of the motto, "excellence in education" connotes the creation of knowledge that is boundless. The color of the EWU logo is deep blue.

East West University Flag

The color of the EWU flag is deep blue and a pearl white EWU emblem is placed in the middle.

East West University Departmental Bunting

Different academic departments have their own colored satin bunting. The colors are:

Business Administration : Sea Green

Economics : Olive Green

English : Lilac

Social Relations : Blue

Applied Statistics : Sky Blue

Computer Science and Engineering : Golden Yellow

Electronics and Communications Engineering : Indigo

PROFILE

EAST WEST UNIVERSITY

Mission Statement

In keeping with its name, East West University, is an institution that promotes eastern culture and values, and meaningfully blends eastern and western thought and innovation. As an institution of higher learning that promotes and inculcates ethical standards, values and norms and as one of the top private university of Bangladesh, East West University (EWU) is committed to the ideals of equal opportunity, transparency, and non-discrimination.

The primary mission of EWU is to provide, at a reasonable cost, tertiary education characterized by academic excellence in a range of subjects that are particularly relevant to current and anticipated societal needs. Central to the university's mission is its intention to provide students with opportunities, resources and expertise to achieve academic, personal and career goals within a stimulating and supportive environment. EWU is striving not only to maintain high quality in both instruction and research, it is also attempting to render community service through dissemination of information, organization of training programs and other activities. Sensitive to the needs of its students and staff, EWU is committed to providing a humane, responsive and invigorating atmosphere for productive learning and innovative thinking.

History

The idea of establishing a private university to provide quality education at an affordable cost in Bangladesh was first mooted by a group of prominent academics, business leaders, professionals and education enthusiasts led by Dr. Mohammed Farashuddin. With this end in view, this group formed a non-profit, non-political, charitable organization called Progoti Foundation for

Education and Development (PFED). East West University is its first major project. Members of the Board of Directors (Present name Board of Trustees) of the University are: Mr. Jalaluddin Ahmed, Mr. S.M. Nousher Ali, Mr. Farooque B. Chaudhury, Dr. Rafiqul Huda Chaudhury, Syed Manzur Elahi, Dr. Mohammed Farashuddin, Mr. Mohammed Zahidul Haque, R.Ph., Dr. Saidur Rahman Lasker, Dr. Muhammad A. Mannan, Professor Dr. M. Mosleh-Uddin, Mr. Shelley A. Mubdi, Mr. M.A. Mumin, Dr. Khalil Rahman, Mr. H.N. Ashequr Rahman and Mrs. Razia Samad. After being accorded permission by the Government under the Private University Act (Act 34) of 1992, East West University was launched in 1996. Classes started in September 1996 with 6 faculty members and 20 students at 43, Mohakhali Commercial Area, Dhaka. At present, there are over 294 faculty members and approximately 8000 students enrolled through a process of selection.

Admission Eligibility of Graduate Programs

Admission Eligibility of Graduate Programs varies from program to program details of which may be obtained from the website or Admission Office of East West University.

East West University (EWU) has achieved remarkable success within a short period of time. In a 'Webometrics' survey reports of July 2007 and July 2008, East West University was

ranked the number one private University of Bangladesh. It was also ranked as the second best private university of Bangladesh by the same organization in January 2008. It may be mentioned here that 'Webometrics' is a European Union-funded-Spain based research organization.

East West University, which had its humble beginning in 1996 with only 20 students and 6 faculty members, now has approximately 8,000 students and 294 faculty members. Its growth testifies to its steady and significant progress towards promoting quality university education. It has already produced 8200 graduates from its Undergraduate and Graduate programs. The dynamic growth of EWU can be seen in the figure provided below:

Facilities & Amenities

Computing and Lab Facilities at East West University

(a) Internet and Computing Facilities

Information and Communications Services (ICS) supports a total of 733 computers as well as computer-related equipments of all functional departments/sections of the university.

To support the "hands-on-lab practices" for different computation intensive courses, EWU has established 7 (seven) computer labs equipped with more than 260 computers and printers of various ranges. The operating support systems are Windows, Linux, Solaris, etc. The programming languages and package support include C/C++, Java, Fortran, Oracle, MatLab, Visual BASIC, SPSS, MS-SQL Server, MySQL, PHP, .NET etc through Information & Communications Services (ICS) section. ICS works directly under the office of the Vice-Chancellor to facilitate computer lab facilities to students and to maintain computer hardware, software, multi-media systems, networking systems, and the email service of the University.

East West University has internet facility of 6.5 Mbps band width and 512 Kbps VSAT back up. ICS maintains this service for smooth continuation of internal connectivity. It also provides in-house training to employees of the university to improve their computing skills.

(b) Lab Facilities

The science and engineering education programmes at East West University emphasize hands-on-experiences of students in labs. University labs play a central role in supporting faculty and student research. For these reasons, the university is committed to developing and maintaining state-of-the-art labs for students and faculty members. East

West University has developed one of the best lab facilities in the country for its computer science and engineering, information and communication engineering, electrical and electronic engineering, electronics and telecommunication engineering and pharmacy programs. The engineering labs are shared by the three engineering departments, namely, Computer Science and Engineering (CSE) department, Electronics and Communications Engineering (ECE) department, and Electrical and Electronic Engineering (EEE) department. The Pharmacy labs are used by students and faculty members of the Pharmacy department as well as by engineering students for their chemistry courses.

The following is a description of the labs within the Faculty of Sciences and Engineering:

High voltage/machine lab: This lab has state-of-the-art Lab-volt electro-mechanical training systems that can be used to carry out experiments on DC machines, transformers, induction motors and synchronous machines. The laboratory also has inductor, capacitor and resistor banks, single and three phase variable AC power supplies and various types of measuring instruments to conduct experiments. In addition, the lab is also equipped with true RMS (AC+DC) volt and current meters and a LCR meter with computer interface to facilitate research.

Electrical circuit lab: This laboratory has advanced facilities for investigating behavior of AC & DC circuits which comprise inductor, capacitor and resistor banks, DC power supplies, Digital storage oscilloscopes, Trainer Boards for circuit layout design, and high frequency signal generators. In addition, the lab is equipped with various types of measuring instruments, and variacs to conduct experiments on electrical circuits.

PROFILE

EAST WEST UNIVERSITY

Electronics Lab: Works related to electronics & power electronics courses are performed in this lab. It is equipped with modern digital storage oscilloscopes, analog and digital trainer boards, signal generators, DC power supplies, measuring instruments like ammeter, voltmeter, digital multimeter, wattmeters and various types of IC chips, small-signal MOSFETs, BJTs and other semiconductor devices.

Switchgear and Control Systems Lab: Experiments and project works on switchgear, controls and data acquisition are done in this lab. The lab has five sets of AMANTECH data acquisition cards run by dual-core computers to detect various types of electrical faults and subsequent operations of relays on custom-made fault simulation boards. The lab also houses five sets of Siemens PLC (S7-1200) with necessary input/output modules and proprietary computer interface software tools. PLC sets are used to train students in modern industrial control systems.

VLSI Lab: Design and simulation type lab work is performed in the VLSI lab. It has more than 40 state-of-the-art dual core workstations and 2 servers running on both MS Windows and Linux platforms. A wide range of engineering and design software tools, including ADS, MAGIC, HSPICE, ANSOFT, MATLAB, PSPICE, etc. are available in this lab. ADS, MAGIC and HSPICE are advanced industry standard EDA tools used worldwide in design and research. We are also on the way to purchase SILVACO TCAD tools. There is also proprietary software developed for simulation of electronic & photonic devices, and fabrication processes through virtual clean room facilities and for investigating complex behavior of any electronic circuits composed of any arbitrary designed devices. This is also industry standard software used throughout the world for design and analysis of electronic & photonic devices. Major electronic companies, such as Intel, IBM, IMEC,

Samsung, and TSMC all use this software. Leading universities in USA and Europe, including those in India (for example, IITs), also use this software to train their students in this field.

Software Engineering Lab: The Software Engineering Lab is equipped with a HP Server, 30 Lenovo desktop computers and a multimedia projector. All the computers of the lab are networked and use JUNIPER switches. The lab provides a range of software to support lab classes and research works in the broad field of Software Systems including programming, database systems, information system design, software engineering, computer networking, and high-performance simulation and modeling.

Digital Systems & Microprocessors Lab: The Digital Systems and Microprocessors Lab is equipped with instruments that range from Oscilloscopes, Digital Trainer Boards, Analog Trainer Boards, Micro-Controller Writer, Microprocessor Trainer Boards, Interfacing Adapters, Signal/function Generators, Multi-level DC Power Sources, Electronic Mother Board Drilling Systems and other supporting peripherals. It also provides hardware devices FPGA design. Projects related to digital logic design, computer interfaces and embedded systems are pursued in this lab.

Telecommunication Lab: The purpose of the Telecommunication Lab is primarily to offer hands-on experience to students for training and research by providing them scope for practical demonstrations and enabling exercises for courses in communications. The TIMS equipment set constitutes an important part of this lab. This set consists of TIMS-301 basic system, PC based virtual instruments, TIMS-Interactives for simulation, and Emona TIMS advanced modules. The lab also contains microwave trainers, DSP trainers, cellular mobile trainers, analog communication trainers, digital communication trainers and optical fiber

PROFILE

communication trainers. The university is in the process of procuring professional software, HFSS for design and performance analysis of microwave devices and antennas. In the Telecommunication Lab, we have also highly sophisticated Signal Generator (100 KHz-3 GHz), Digital Oscilloscope, and Spectrum Analyzer (9 KHz-26.5 GHz).

Computer Communications and Networking Lab: This lab has been established recently. It is equipped with one high performance server, twenty work stations, switches, routers, networking kits, radio equipment for short distance indoor and outdoor wireless networks, point-point XDSL/VDSL/HDSL and other supporting instruments.

Physics Lab: The Physics Laboratory is equipped with modern instruments for carrying out everyday physics experiments. The dark room facility helps students in carrying out optical experiments.

Laboratory Facilities in the Department of Pharmacy

The Department of Pharmacy of East West University has seven laboratories including an advanced research laboratory. The laboratories are well equipped with modern and world-class equipments for individual practical courses. These laboratories also provides necessary infrastructure for research for BPharm. and M Pharm programs.

The Advanced Research Laboratory of the Department of Pharmacy is equipped with advanced research instruments to carry out analytical experiments as well as experiments at the molecular level. For analytical research, the laboratory has High Performance Liquid Chromatography (HPLC), Fourier Transform Infrared (FTIR) Spectroscopy and Gas Chromatography. The laboratory has a collection of thermocycler for the amplification of genes, an instrument for gel electrophoresis and Sodium dodecyl

sulphate poly acrylamide gel electrophoresis (SDS PAGE) for protein analysis.

In addition to these sophisticated instruments, there are some other major instruments that as listed below:

Microplate photometer/ ELISA reader
Freeze Dryer
Incubator/CO₂ Incubator for cell culture
Laminar air flow cabinet for microbiological assay
High speed centrifuge machine
UV-VIS spectrophotometer
Polarimeter
Refractometer
Karl Fischer Titrator
Rotary evaporator
Single punch tablet compression machine
Capsule filling machine
Distillation apparatus
Dissolution tester
Disintegrator
Sonicator
High resolution microscopes
Autoclaves and Fundamental chromatographic instruments as well as other supporting equipments

To evaluate the pharmacological activities of different samples in animal model, Department of Pharmacy is currently developing an animal house where experiments on animal model as well as breeding of different species will be done.

The East West University Center for Research and Training (EWUCRT)

The East West University Center for Research and Training (EWUCRT) promotes academic and applied research for creation and dissemination of new knowledge. It carries out multifarious activities to achieve its objectives. EWUCRT is dedicated to developing the research potentialities of faculty members of EWU by continually motivating them to undertake research studies and publish scholarly papers. It provides financial support to faculty members who intend to conduct research studies. The Center organizes and sponsors

seminars, symposiums and workshops to facilitate dissemination and cross-fertilization of knowledge. For the purpose of sharing research results with academia, researchers and policy makers, EWUCRT publishes two academic journals in the fields of humanities and social sciences, business and economics. The Center also designs and organizes short term training programs on research methodology to enhance the research capabilities of young professionals working in universities, academic institutions, government, and non-government organizations. During the last six years (2007-June 2012), EWUCRT has allocated approximately Taka four million to support faculty research and training, publications of research reports, journal and sponsoring of seminars and workshops.

The EWUCRT operates through a Research Committee, comprising of representatives from the Board of Trustees, Deans and Chairpersons of academic departments. The Center is currently chaired by Dr. Rafiqul Huda Chaudhury, Member, Board of Trustees of the University. At present, Dr. Muhammad Sirajul Haque, Dean, Faculty of Business and Economics and Mr. Md. Lutfur Rahman, Assistant Professor, Department of Business Administration, hold the positions of the Executive Director and Deputy Executive Director respectively. One research officer and one secretary assist the Chairperson and the directors in carrying out the activities of the Center. A brief description of the activities, of the Center follows:

Academic Research Grants

- The Center invites research proposals from faculty members once a year. In response to the call for research proposal last year, for example, four proposals were received from faculty members of the University. Two of these proposals namely ; (i) "The Endangerment and Documentation of the Pankhua Language in Bangladesh", by

Zahid Akter, Department of English, and (ii) "Knowledge of School-Going Children on Disaster Risk Reduction", by Md. Ekhtekharul Islam, Department of Social Relations East West University were approved for funding. Two more proposals are now being evaluate. These are:

- *Marketing Practices of the Publishing industry in Bangladesh: An Explorative Study*, by Kohinoor Biswas and Mashruha Zabeen, Department of Business Administration, Nabila Huq, Department of English, East West University.
- *A Composite Approach to Tax Revenue Forecasting: Case Study of the Tax System in Bangladesh*, by Biplob Kumar Nandi, Muntasir Chaudhury and Gazi Quamrul Hasan, Department of Economics, East West University.

Academic Publications: Journals

Recognizing the growing importance and demand of quality research and scholarly publications of faculty members in the areas of humanities and culture, global business, marketing and sustainable development, EWUCRT publishes two academic journals annually - *East West Journal of Business and Social Studies* and *East West Journal of Humanities*. *East West Journal of Business and Social Studies (Vol.2)*, 2011 has already been published. *East West Journal of Humanities (Vol. 3)*, 2012 and *Journal of Business and Social Studies (Vol.3)*, 2012 are awaiting publication.

Abstracts of Published Papers

The 6th volume of Abstract of Published Papers 2011 by EWU faculty members has published in June 2012. In this volume, abstracts of as many as sixty-six research articles, book chapters, and conference presentations were included.

Research Reports

The Center also publishes working papers,

PROFILE

EAST WEST UNIVERSITY

occasional papers and annual research abstracts of faculty members of the university in order to disseminate knowledge and create a strong intellectual network among faculty members of the University and the outside academic world.

In the year of 2012, EWUCRT published three research reports. Those are:

- *An Appraisal of the Problems and Prospects of SME Financing in Bangladesh*, by Dr. Tanbir Ahmed Chowdhury and Kasfia Ahmed, Department of Business Administration, East West University (EWU)
- *Activity Based Costing in Bangladesh: An Empirical Study on the Level of Sophistication*, by Mr. Nikhil Chandra Shil, Department of Business Administration, EWU
- *Discourse of Advertising: Linguistic/Semiotic Discourse Structures in Bangladeshi Educational Advertisements*, by Dr. Muhammed Shahriar Haque, Department of English, EWU

Moreover, two research reports are now in the pipeline:

- *Advertisement Practices in Bangladesh*, by Mr. S.S.M Sadrul Huda, Department of Business Administration, EWU
- *Viewer's Attitude towards Advertisement*, by Mr. S.S.M Sadrul Huda, Department of Business Administration, EWU

Ongoing Research Studies:

- Isolation and Identification of the Causative Organisms on Street Vended Food Samples Collected from East West University area.

Dr. Sufia Islam
Department of Pharmacy
East West University

- Total Quality Management and Organizational Performance in the

Garment Sector of Bangladesh: A Causal Path Analysis

Farhana Ferdousi
Saadia Shabnam
Department of Business Administration
East West University

Seminars, Symposiums and Public Lectures:

EWUCRT plays a leading role in organizing seminars, symposiums and public lectures on contemporary issues such as population and environmental concerns, good governance, globalization, social conflicts, social movements, marketing, media and sustainable development.

In order to disseminate knowledge among academia, the EWUCRT organized a research seminar on 04 October, 2012 on the following issue:

- *Total Quality Management and Organizational Performance: A Causal Path Analysis*. This was jointly presented by Ms. Farhana Ferdousi and Ms. Saadia Shabnam, Department of Business Administration, EWU.

Training Programme:

CRT, in collaboration with the Department of English, organized a training workshop on, Language Documentation, in mid December 2012. The purpose of the training was to enhance the skills and expertise of participants in documenting language and to provide them with first-hand knowledge of language structure and functions.

Consulting and Policy Research:

The Center is open to the idea of carrying out applied and policy research in the areas of finance, corporate business, management, population and health, environment and ecology, and sustainable development in order to address the needs of multilateral, bilateral, and national organizations.

PROFILE

EAST WEST UNIVERSITY

Software Development Center (SDC)

The mission of the Software Development Center (SDC) is to provide EWU students with real-world experience in designing and developing quality software for offices, banks, institutions and industries. The Software Development Center at EWU is a member of BASIS (Bangladesh Association for Software and Information Services) and incorporates industry expertise for true software innovation. It has the potential to use the resources of the World Wide Web. SDC believes in simplicity and efficiency. It intends to integrate object-oriented programming (OOP) concepts with the World Wide Web by providing unique software development services along with training and mentoring programs of global IT standard.

Career Counseling Center (CCC)

The Career Counseling Center provides appropriate guidance to students about their career plans. The center liaises with prospective employers and arranges internships and jobs for students and graduates. CCC works to place students with leading business organizations of the country who can expand their activities by utilizing fresh mind imbued with modern skills and expertise. As a forerunner among private universities in Bangladesh, the Center endeavors not only to ensure excellence in education but also to help students find suitable careers.

CCC is a guide and mentor for students and helps them to develop their aims and build their confidence by arranging and organizing different on-campus job fairs, workshops, seminars, corporate presentations and symposia on a regular basis where students get to learn about formal writing, etiquette and grooming, successful interview techniques, corporate networking and how to succeed in the work place.

CCC is the meeting point for both career-seeking individuals and leading employers of the country and it thus keeps the image of East West University high.

EWU Library

The East West University Library is an invaluable resource for students, researchers and faculty members of the university. The library has over the years built an impressive collection of books, bound volumes, journals and news papers, and many other resources like thesis, students' project reports, CDs and videos.

The EWU library, now located on its own premises (Block-B, 6th floor) at Aftabnagar, Dhaka, spread over 8,500 sq. ft., also provides access to the best of digital resources through its subscription to various databases consisting of scholarly and science, business, management relevant content.

Library Collections at a Glance: (As on January 29, 2013)

Types	Quantity
Books	25050 copies
Local journals/ Periodicals/ Magazines	131 titles
Foreign Journals titles	12
Report/Thesis	632 titles
CD-ROMs	1500 copies
Online journals	44 databases
National Newspapers	18 titles
Maps (Large size)	06 Copies
E-Books	3000+ titles

Online Journals

Online journals based on technology has spread worldwide due to World Wide Web. EWU library subscribes to world renowned online journals. Some registered and free online journals databases are HINARI, AGORA, OUP etc. EWU has joined in two leading consortia in our country for flexibility and economic benefits.

Bangladesh INASP PERI Consortium (BIPC)

EWU library is a member of the consortium for getting access to full-text articles, abstracts and bibliographical information of online journals. Through this consortium we can access more than 36 journals databases, including Springer, IEEE, EBSCOHOST etc.

PROFILE

EAST WEST UNIVERSITY

UGC Digital Library Consortium

Recently, University Grants Commission of Bangladesh (UGC) has launched this Consortium for the public and private universities in the country. East West University has become a member of this consortium. As a member, we can easily access innumerable online journals databases including emerald (<http://www.emeraldinsight.com>) EM120 and emerald engineering, ACM Digital Library (<http://dl.acm.org>) and JSTOR (<http://www.jstor.org>).

E-books

EWU Library provides e-Books services to its users through online services from World Bank (WDI, GDF, ADI, GEN), Taylor and Francis e-Books bestsellers, DeGruyter LIS books collections etc. You can access more than 3,000 e-books through online subscription.

EWU Digital Library

EWU Library uses world class standard Greenstone Digital Library Software to build its digital library. EWU digital library has been equipping to serve the huge demand of digital information of the users as well as the intellectual community of the country. At present this digital library is being developed with news clipping, thesis paper, EWU publications, subscribed e-Book, audio and video collections.

EWU digital library web address: <http://123.200.11.14>

Library Automation

EWU Library is completely automated and uses world class library management software Koha which is open source and free and was developed in New Zealand. This software comprises several modules including OPAC module, cataloguing, circulation, acquisition, serial control, patron management etc. This software can share its data with other library software using Z39.50 and MARC21 standards. EWU library uses Vufind search tool for books, online journals

and digital library resources from one focal point. To integrate all these tools and services, EWU library redesigned its website using Drupal, a popular content management system.

EWU library web address: <http://123.200.11.14/ewulibrary/>

Corporate Membership

EWU library has corporate membership status with British Council Library, Archer K. Blood American Center Library, International Federation of Library Associations and Institutions (IFLA). With these memberships EWU library users may avail of these facilities, search online public access catalogues and online journals of those institutions.

Workshop/Training

EWU Library organizes workshops and training sessions on contemporary issues and subjects related to library and information services i.e. electronic resources management, digital library, library automation, information literacy, etc. for library professionals, health professionals and IT professionals to help them use modern technology and resources in the library.

Information Literacy program

EWU Library organizes information literacy programs on a regular basis for its readers to empower them to use the library resources and services. The objectives of these programs are to increase interest and awareness among library users about library services. In the process maximum utilization of resources is ensured.

Other library services and facilities:

- Current Awareness Services (CAS) and Selective Dissemination of Information (SDI) services
- Newspaper clippings services on important subjects
- German language corner, UN corner, Liberation war corner, Atlas corner
- Reproduction services

Other Facilities of the University

Other facilities of the university include:

Spacious air-conditioned classrooms

Free E-mail and Internet access

Medical Center

Prayer Room

Cafeteria

Study Rooms

Separate Male & Female Common Rooms with indoor game facilities and television.

Students' Welfare Department

Students' Welfare Department is a rendezvous spot for students of East West University where they can participate in various aspects of academic life. The primary objective of the Students' Welfare Department is to emphasize the wholeness of the university experience through synchronized development of body, mind and spirit. It emphasizes enhancing student experience through 'out of classroom learning' and through extra-curricular programs. Under this organization we have 17 clubs which are supervised by moderators who themselves are faculty members of East West University. The clubs give opportunities to students to discover their hidden potential. Here students are able to develop their interpersonal skills by working in groups; they are also able to develop their organizational and leadership skills. Through our clubs we are fulfilling our responsibilities and thereby enhancing the image of the university.

The names of the 17 (Seventeen) clubs are:

01. EWU Agro-Industrialization Club
02. EWU Business Club
03. EWU Computer Programming Club
04. EWU Creative Marketing Club
05. EWU Club for Performing Arts
06. EWU Debating Club
07. EWU Electronics Club
08. EWU English Conversation Club
09. EWU Environmental & Social Club
10. IEEE Student Branch, EWU
11. EWU MBA Club

12. EWU Pharmacy Club
13. EWU Photography Club
14. EWU Rotaract Club
15. EWU Science Club
16. EWU Sports Club
17. EWU Telecommunication club

Major activities of these clubs include:

- Seminar and workshops
- Study Tours
- Community Volunteer Work
- Club Fairs
- Cricket, Football and Indoor Games Tournaments
- Celebration of national and international events such as Pohela Boishakh, International Mother Language Day Independence Day
- Victory Day Drama
- Cultural Programs
- Voluntary Blood Donation Campaigns
- Art, Photography and Hobby Exhibitions
- Competition in Art, Debate, Music, Photography
- Computer Programming, Business Plan Research
- Help groups/ Help sessions

The Student Welfare Office emphasizes the wholeness of university experience through synchronized development of body, mind and spirit.

Scholarships and Financial Aid

Since its inception, East West University has been awarding merit scholarships and need-based financial assistance to deserving students. Each year the university distributes at least 9% of its total earnings among 20% or more of its regular students. Such scholarships/financial assistance are not available to those students who have already spent the normal study time required for the programs for which they are enrolled (e.g. Bachelor's degree program students are not eligible for any scholarship/financial aid beyond the four years that are required to complete the course as a regular student). No student of the university is entitled to benefit

from more than one scholarship/financial aid scheme at any point of time.

According to the provision of the Private University Act, 2010, private universities are required to provide scholarships to 6 (six) percent of their enrolled poor but meritorious students (of which 3 percent is reserved for the wards of freedom fighters). Since its inception, the founders of East West University have adopted a policy of not only not paying any profit or dividend to themselves but also to use a good proportion of its operating surplus towards nurturing merit and providing financial support to students in need. In the last twelve years, the scholarships and financial aid policy adopted by East West University have become sources of great encouragement to meritorious but financially constrained students. The academic world has greeted this policy pursued by East West University enthusiastically. Financial benefits to students are awarded in the following ways:

1. Merit Scholarships

EWU has generous merit scholarships/financial aid programs. The sum of Taka 3,46,10,698 (three crore forty-six lakh ten thousand six hundred and ninety eight) only was awarded to 908 students in 2011-2012 along. Full-year tuition waiver merit scholarships (for a maximum of one-fourth of the total credit requirement of the program for undergraduate students) were awarded to:

(i) Top scorers in undergraduate admission tests with a minimum score of 75% marks: five (5) from the Faculty of Business and Economics, and four (4) from the Faculty of Sciences & Engineering and one (1) from the Faculty of Liberal Arts and Social Sciences. Top scorers in graduate admission tests with a minimum score of 75% marks: one each in MBA and Telecommunication Engineering, provided that at least 20 students get admitted to the program.

The continuation of this scholarship is contingent upon maintaining a minimum CGPA of 3.50 and abiding by the rules and regulations and the University's Code of Conduct for students at all time.

(ii) Candidates securing GPA 5.00 (excluding 4th subject) in both SSC and HSC (in the most recent relevant examination year) will be awarded 100% Merit Scholarship at entry level for 4 years subject to maintenance of GPA 3.50 in each semester;

(iii) Candidates securing 7 (seven) A's in 'O' Level Examination (at one sitting) and 3 (three) A's in 'A' Level Examination (in one year) will be awarded 100% Merit Scholarship at entry level for 4 years subject to maintenance of GPA 3.50 in each semester;

(iv) Divisional Quota: One poor but meritorious student from each Division securing GPA 5.00 in the most recent HSC Examination will be awarded a full-tuition free Merit Scholarship with lodging for four years of study at EWU. The continuation of this scholarship is contingent upon maintaining a minimum CGPA of 3.00 and abiding by the rules and regulations and University's Code of Conduct for students at all time.

(v) Candidates scoring GPA 5.00 (including 4th subject) in the immediate past SSC & HSC examinations will be awarded 50% waiver of Tuition Fee as Merit Scholarship at entry level in Undergraduate Programs for first 1 (one) year, subject to fulfillment of the following requirements:

- Success in the EWU Admission Test.
- Maintenance of minimum GPA of 3.50 in each semester as a regular student.
- Following East West University's Disciplinary Code for Students at all time;

PROFILE

EAST WEST UNIVERSITY

(vi) 100% free merit scholarship is offered to students who receive undergraduate degree from EWU with CGPA 4.00 for maximum of two years for study in Graduate programs at EWU, subject to maintenance of CGPA 3.50 at all time to continue the scholarship. EWU provides the same benefits under same terms and conditions to the students having first classes in both Honors and Masters from public Universities who get admission to Graduate programs on a case by case basis.

(vii) A committee has been formed to assess and recommend students for scholarship/financial aid who are from overseas and students who come from other systems.

(viii) Top 10% students (10% of the actual number of students of each batch of each department enrolled during the immediate past year or two semesters for one year programs, whichever is applicable) of each batch of each department of undergraduate programs who have completed at least one-fourth of the total credit requirement of the program during the immediate past year with a CGPA of 3.90 and above get full-tuition free Merit Scholarship for equal number of credits to be adjusted in the next three consecutive semesters.

All undergraduate students must register for at least 9 credits in a semester. The requirement is 12 credits in a semester for students of B.Pharm. Program.

On the basis of the above principle, students of graduate programs also get Merit Scholarship but requirements of credit for the scholarships vary depending on the total credits of the program and the length of the program.

In case of a batch where 6 or less students fulfill the scholarship requirement (i.e., completed at least one-fourth of the degree requirement with a CGPA of 3.90 or better), only the top student are entitled to receive one scholarship. The award goes to the best performer among students securing CGPA 3.90 or better. For calculation of the number of scholarships in each batch, the number is rounded up if the fraction is 0.5 or above.

Merit Scholarships are extendable, subject to fulfillment of requirement (viii) above. To avail Merit Scholarships undergraduate students must register for at least three courses (9 credits) in each semester. (For the students of B.Pharm. this requirement is at least four courses) The Merit Scholarship will be discontinued if any student of the undergraduate or graduate program violates 'the East West University Disciplinary Code for students' and/or if his/her CGPA falls below 3.50. To be eligible for Merit Scholarship/Financial Aid a student of Undergraduate Program must earn credits as mentioned in the table below, in the last three consecutive semesters:

Undergraduate Programs	Credits
Bachelor of Business Administration	30
BSS in Economics	30
BA in English	30
BSS in Sociology	30
BS in Applied Statistics	31
B.Sc. in Electronic & Telecommunication Engineering	35
B.Sc. in Information & Telecommunications Engineering	35
B.Sc. in Computer Science & Engineering	35
B.Sc. in Electrical & Electronic Engineering	35
Bachelor of Pharmacy	40
B.Sc. in Genetic Engineering & Biotechnology	33

To be eligible for Merit Scholarship/Financial Aid a student of Graduate Program must earn credits as mentioned in the table below in the last three/two consecutive semesters (whichever is applicable for whom):

Graduate Programs	Credits
MBA	29
EMBA	24
MBM	29

PROFILE

EAST WEST UNIVERSITY

2. Directors' Scholarships

A Board member may award 200% tuition fee waiver to two students (100% each) or more than two students distributing this 200% at his/her discretion in each semester. or

A Board member may award maximum upto 18 credits tuition fee waiver in each semester or higher as per requirement under his/her discretionary quota. The unutilized credits of any semester can be carried forward to other semester(s) within the same academic calendar year.

3. Financial Aid

(a) General

At the beginning of each semester, the university considers applications on prescribed forms for the granting of financial aid to deserving students on a need-cum-merit basis.

Undergraduate applicants who have completed at least one-fourth of the total credit requirement of the program during the immediate past year with a minimum prescribed CGPA of 2.70 and with demonstrated financial need are offered financial assistance to cover part of the tuition fees.

The actual amount depends on the number of applicants and the availability of funds. This is by far the largest component of the funding support both in terms of the amount of money as well as the number of recipients. Financial assistance is also extendable on fulfillment of the above requirements.

(b) Family Concession

When two siblings (brother/sister with the same parents) study simultaneously at East West University, the second sibling is entitled to a half-tuition waiver. However, both must be admitted full-time into regular programs. The benefit commences on the date of admission of the second sibling and ceases on the discontinuation of the study of any one of them, after his/her graduation or for

any other reason. This benefit may extend up to the third sibling under the above-mentioned conditions.

If either of the siblings maintains a minimum CGPA of 2.70, while the other maintains a minimum passing CGPA (2.00 for Undergraduate Programs, 2.50 for Graduate Programs) the sibling benefit will be awarded and continued for the one who maintains the CGPA of 2.70. In case of the newly admitted students, if the first sibling can maintain the minimum CGPA of 2.70 the sibling benefit would be awarded to the second sibling provided the first sibling is not currently receiving any merit scholarship/ financial aid from EWU.

(c) Freedom Fighters' Scholarship

As a mark of respect to the valiant freedom fighters of the War of Liberation and Independence, the university reserves 3% admission quota for the wards of freedom fighters of all categories, subject to their fulfillments of the minimum admission requirement at East West University. The university also considers maximum 100% tuition waiver scholarship to the wards of wounded, deceased and financially needy freedom fighters, subject to the fulfillment of the following requirements:

The candidate must qualify in the EWU admission test; the candidate must provide proof that his/her parent was a freedom fighter. The Tuition Fee waiver as above will then be continued provided that the CGPA in each semester remains 2.70 or more.

To avail financial aid, undergraduate students must register for at least three courses (9 credits) in each semester. (For the students of B.Pharm. this requirement is at least four courses) Financial Aid is discontinued if any student of undergraduate or graduate program violates the East West University Disciplinary Code for students and/or if his/her CGPA falls below 2.70. The same is

applicable for the beneficiaries of siblings and other similar cases and for Freedom Fighters' Scholarship.

4. Benefit for EWU Employees

If the children of the employees study at EWU, only one child of an employee will be granted 50% tuition fee waiver during the entire tenure of the employee's service at EWU subject to fulfillment of admission and all other criteria for study at EWU. Granting of this tuition fee waiver will be effective on admission of the student but its continuation will be subject to fulfillment of Financial Aid requirements.

5. The Medha Lalon Fund

In order to be able to extend further support towards nurturing merit, particularly to students from middle-class background, to female students, and to students from outside the metropolis, the Board of Directors of East West University set up in 2002 a scheme called the East West University Medha Lalon Fund with an initial endowment of Taka one and a half crore. The Board has also sanctioned an amount of Taka one crore thirty lakhs from the operating surplus of the university for the Fund. This is in addition to the disbursement each year on regular components such as the merit scholarships and financial aid. Several philanthropic persons/organizations have contributed a combined amount of Taka twenty-seven and a half lakh to the Medha Lalon Fund. This need-cum-merit based financial aid is awarded from the annual earnings of the East West University Medha Lalon Fund deposited in a lucrative five-year interest earning Scholarship Deposit Account of Mercantile Bank.

The following scholarships are currently being offered under the Medha Lalon Fund scheme :

Medha Lalon Fund and has the accounts audited externally every year.

The Financial Aid Committee keeps Medha Lalon Fund donors informed about the operation of the funds on a regular basis. The Committee arranges meetings with East West University Medha Lalon Fund donors to apprise them of operating procedures, scholarship awards and performance of scholarship awardees as well as to seek guidance from them.

As is evident from the table below, the university policy is rather generous in nurturing merit since an increasing percentage of tuition revenue gets ploughed back and goes to deserving students. It is worth noting that the university, as a matter of policy, encourages enrolment of mofussil and rural students who are also, therefore, beneficiaries of the scholarship and financial aid awards. Furthermore, the university has also been consciously endeavoring to increase the proportion of female students who benefit from scholarship & financial aid programs.

The table below shows the number of recipients/beneficiaries of various scholarships, financial aid programs and amount of scholarships distributed during the last five years.

Data in table show a declining trend in terms of both the number of recipients and the amount of scholarship disbursed. This is mostly due to declining number of students meeting the criteria for such Scholarships and Financial Aid. However, these figures (i.e. number of scholarship recipients and amount

The East West University Medha Lalon Fund is administered by the Financial Aid Committee of the university. To procure such aid, students must apply on a prescribed form. Applications are processed based on information provided by the applicants and according to the criteria set by the university and is subject to change at its discretion. Selection of scholars and financial aid beneficiaries is done through a computerized system that ensures full transparency.

The university charges a minimum amount (less than one percent) as administration costs from the earnings of the East West University Medha Lalon Fund. It ensures maintenance of regular accounts of the
