# EXPLANATORY NOTE

## 13<sup>th</sup> CONVOCATION 2014

### **The Convocation**

The convocation, a long established tradition in universities all over the world, is a great celebration observed by academia where degree candidates are presented by the university faculty and administration to the degree awarding body of the university and where degrees are ceremonially awarded. The Chancellor of the university heads this body and confers the degrees as recommended.

### **Degree Awarding Authority**

The Chancellor or when authorized by him the Vice Chancellor or any other appropriate person, confers degrees to the graduating candidates on approval/recommendation by the Academic Council of the University, headed by the Vice Chancellor.

### **The Academic Procession**

The Academic Procession is an essential part of convocations all around the world. It is a colorful but solemn event where graduating students, faculty members, members of the Academic Council, members of the Syndicate, members of the Board of Trustees, and senior administrative staff of the university participate.

The participants in their ceremonial dress join the convocation procession and enter the convocation venue. The Convocation Marshal leads the procession into the venue. The degree candidates take their seats in an area of the venue reserved for them.

Faculty members join the procession in ascending order of seniority. They enter the venue and take their seats alongside the degree candidates. They are followed by the members of the Academic Council and Syndicate.

The Chancellor in a procession preceded by the Special Guest, the Vice Chancellor, the President of the Board of Trustees, the Pro Vice Chancellor, the Convocation Speaker and the members of the Board of Trustees of East West University, enter the Convocation venue.

Once the procession has reached the designated area and all are in place, the

formal convocation ceremony begins. The Vice Chancellor, President, Board of Trustees and Convocation Speaker deliver their speeches. Then the graduating candidates are presented to the Chancellor for the conferment of degrees. Special Awards and Gold Medals for academic achievements are also awarded at this time. A student selected from amongst the graduating class as the Valedictorian addresses the gathering; the Special Guest then delivers his/her address. Finally, the Honorable Chancellor of the University addresses the Convocation. The Convocation Marshal conducts the entire ceremony.

At the conclusion of the ceremony, the Chancellor, the Special Guest, the Vice Chancellor of East West University, the President of the Board of Trustees of East West University and other dignitaries leave the site of the ceremony in procession, followed by the members of the Syndicate, Academic Council, faculty and graduating students. The ceremony concludes when the procession departs from the venue. This is the conclusion of the first session of the Convocation Ceremony. In the second session, the Vice Chancellor of East West University gives certificates to the graduates on behalf of the Chancellor.

### **Academic Apparel**

The academic apparel of East West University has been specially designed in line with the academic regalia used in most American and Commonwealth universities. The gowns worn by participants are generally black, but their designs vary. The different colors of the tassels and the hoods distinguish faculty members of one department from those of other departments.

The hood, which resembles the medieval cowl, is the most distinctive feature of the academic regalia. Its satin panel is visible from the front and indicates the general field of a degree by its color.

The Convocation apparel for all bachelor degree candidates is black and they don black square mortarboards on their heads. The colors of the tassels on their mortarboards indicate their fields of study.

Master Degree candidates wear hoods of their departmental color in addition to gowns and mortarboards.

East West University faculty members wear black gowns with black velvet on their lapels with piping of departmental color and three black velvet bands with departmental color piping on each sleeve. The disciplines of the faculty members are distinguished by the color of the tassels and hoods.

The Chancellor, Special Guest, Vice Chancellor, Pro Vice Chancellor, Convocation Speaker, members of the Board of Trustees of East West University, Deans, Convocation Marshal, members of the Syndicate and Academic Council wear especially designed regalia.

### East West University Logo

The logo of East West University has been designed to reflect the chief objective of the university, which is the dissemination of modern and quality education at a reasonable cost. The overall structure pointing upwards signifies human development towards a higher quality of life.

The lower right hand white portion includes the globe and represents enlightenment through acquisition of knowledge from all over the world. The outflow of the motto, "excellence in education" connotes the creation of knowledge that is boundless. The color of the EWU logo is deep blue.

### East West University Flag

The color of the EWU flag is deep blue and a pearl white EWU emblem and fifteen stars are placed on the body of the flag.

### East West University Departmental Buntings

Different academic departments have their own colored satin buntings. The colors are:

Business Administration : Sea Green

Economics : Olive Green

English : Lilac

Social Relations : Blue

## EAST WEST UNIVERSITY

### Mission Statement

In keeping with its name, East West University is an institution that promotes eastern culture and values, and meaningfully blends eastern and western thought and innovation. As an institution of higher learning that promotes and inculcates ethical standards, values and norms and one of the top private universities of Bangladesh, East West University (EWU) is committed to the ideals of equal opportunity, transparency, and non-discrimination. The primary mission of EWU is to provide, at a reasonable cost, tertiary education characterized by academic excellence in a range of subjects that are particularly relevant to current and anticipated societal needs. Central to the university's mission is its intention to provide students with opportunities, resources and expertise to achieve academic, personal and career goals within a stimulating and supportive environment. EWU is striving not only to maintain high quality in both instruction and research, it is also attempting to render community service through dissemination of information, organization of training programs and other activities. Sensitive to the needs of its students and staff, EWU is committed to providing a humane, responsive and invigorating atmosphere for productive learning and innovative thinking.

### History

The idea of establishing a private university to provide quality education at an affordable cost in Bangladesh was first mooted by a group of prominent academics, business leaders, professionals and education enthusiasts led by Dr. Mohammed Farashuddin. With this end in view, this group formed a non-profit, nonpolitical, charitable organization called Progoti Foundation for Education and Development (PFED). East West University originated from an endowment of the foundation. Members of the foundation now serve as trustees of the university as per Private University Act 2010. The board of trustees include Mr. Jalaluddin

Ahmed, Mr. S.M. Nousher Ali, Mr. Farooque B. Chaudhury, Dr. Rafiqul Huda Chaudhury, Mr. Syed Manzur Elahi, Dr. Mohammed Farashuddin, Mr. Mohammed Zahidul Haque, R.Ph., Dr. Saidur Rahman Lasker, Dr. Muhammad A. Mannan, Professor Dr. M. Mosleh-Uddin, Mr. Shelley A. Mubdi, Mr. M.A. Mumin, Dr. Khalil Rahman, Mr. H.N. Ashequr Rahman, Mrs. Razia Samad and the Vice-Chancellor (ex-officio). After being accorded permission by the Government under the Private University Act (Act 34) of 1992, East West University was launched in 1996. Classes started in September 1996 with 6 faculty members and 20 students at 43, Mohakhali Commercial Area, Dhaka. At present, there are over 325 faculty members including adjunction teachers and approximately 9,000 students enrolled through a process of rigorous selection.

### Academic Departments

There are 10 (ten) separate Departments operating under these three faculties.

English is the medium of instruction and of examinations for all programs.

### Faculty of Business and Economics

#### 1. Department of Business Administration

##### a. Undergraduate Program

- i. Bachelor of Business Administration (BBA) - 123 Credits

##### b. Graduate Programs

- i. Master of Business Administration (MBA) - 60 Credits
- ii. Master of Business Administration, Executive Program (EMBA) - 42 Credits

#### 2. Department of Economics

##### a. Undergraduate Program

- i. Bachelor of Social Science in Economics - 123 Credits

### b. Graduate Programs

- i. Master of Bank Management - 60 credits
- ii. Master of Development Studies - 39 credits
- iii. Master of Social Science in Economics - 36 credits

### Faculty of Liberal Arts and Social Sciences

#### 1. Department of English

##### a. Undergraduate Program

- i. BA in English - 123 credits

##### b. Graduate Programs

- i. Master of Arts in English (MA in English) - 36 credits/ 45 credits
- ii. Master of Arts in English Language Teaching (MA in ELT) - 42 credits/48 credits/66 credits

#### 2. Department of Social Relations

##### a. Undergraduate Program

- i. Bachelor of Social Science in Sociology - 123 credits

##### b. Graduate Program

- i. Master of Population, Reproductive Health, Gender and Development (MPRHGD) - 48 credits

### Faculty of Science and Engineering

#### 1. Department of Applied Statistics

##### a) Undergraduate Program

- i. Bachelor of Science (BS) in Applied Statistics - 127 credits

##### b. Graduate Program

- i. MS in Applied Statistics - 35 credits

#### 2. Department of Electronics & Communications Engineering

##### a. Undergraduate Programs

- i. B.Sc. in Electronic & Telecommunication Engineering (ETE) - 140 credits
- ii. B. Sc. in Information and Communications Engineering (ICE) - 140 credits

### b. Graduate Programs

- i. Master of Science in Telecommunications Engineering (MS in TE) - 35 credits
- ii. Master of Science in Applied Physics and Electronics (MS in APE) -35 credits

### 3. Department of Computer Science and Engineering

#### a. Undergraduate Program

- i. B.Sc. in Computer Science and Engineering (CSE) - 140 credits

#### b. Graduate Program

- i. Master of Science in Computer Science and Engineering (MS in CSE) - 33 credits

### 4. Department of Electrical and Electronic Engineering

#### Undergraduate Program

- i. B.Sc. in Electrical and Electronic Engineering (EEE) - 140 credits

### 5. Department of Pharmacy

#### a. Undergraduate Program

- i. Bachelor of Pharmacy (B. Pharm) - 158 credits

#### b. Graduate Program

- i. M. Pharm in Clinical Pharmacy and Molecular Pharmacology - 30 credits

### 6. Department of Genetic Engineering and Biotechnology

#### a. Undergraduate Program

- i. Bachelor of Science in Genetic Engineering and Biotechnology- 134 credits

9. Master of Science in Telecommunications Engineering (MS in TE)

### **Semesters**

All programs (except B. Pharm) operate on a trimester system (i.e. 3 semesters per year):

- Spring Semester: January-April (starting on the second Sunday of January)
- Summer Semester: May-August (starting on the second Sunday of May)
- Fall Semester: September-December (starting on the second Sunday of September)

### **The B.Pharm. Program is divided into two semesters**

Spring Semester (January-June)

Fall Semester (July-December).

### **Classes**

Classes are held from Sunday through Thursday. For each 3-credit course, there are 2 (two) classes per week, each of one and a half hour duration. For 1 credit of lab, 2 hours of lab work per week is assigned. There are four class-slots available in a week:

### **Slot Days**

- ST Sunday & Tuesday
- SR Sunday & Thursday
- TR Tuesday & Thursday
- MW Monday & Wednesday

If classes cannot be held as scheduled due to unavoidable reasons, make-up classes are

### Admission Eligibility of Graduate Programs

Admission eligibility for Graduate Programs varies from program to program, details of which may be obtained from the website or Admission Office of East West University.

East West University (EWU) has achieved remarkable success within a short period of time. In the most recent Spain-based international 'Webometrics' survey reports in 2013, East West University was ranked the number one private University of Bangladesh. In July 2007 and July 2008 also, East West University was ranked the number one private University of Bangladesh. It was also ranked as the second best private university of Bangladesh by the same organization in January 2008. 'Webometrics' is a European Union-funded Spain based research organization. East West University, which had its humble beginning in 1996 with only 20 students and 6 faculty members, now has approximately 9,000 students and 325 faculty members. Its growth testifies to its steady and significant progress towards promoting quality university education. It has already produced 8,200 graduates from its Undergraduate and Graduate programs. The dynamic growth of EWU can be seen in the figure provided below:

### Facilities & Amenities

#### Computing and Lab Facilities at East West University

##### a) Internet and Computing Facilities

Information and Communications Services (ICS) is to look after the total technological infrastructure of EWU. ICS provides intensive technical support to all the active computers, around 750 PCs and 70 printers including network printers assigned to faculty, officers and others, which are located in different places around the whole University Campus. ICS also conducts E-mail Service system, which is provided to a large number of faculty and staff members in EWU family. All computers are connected to a huge local network by cable and almost the entire campus has Wi-Fi access. CCTVs covering most of the campus including the underground car parks and entry/exit turnstiles are all part of the network.

East West University has internet facility of 50 Mbps bandwidth which cover both the LAN and Wi-Fi facilities of the university. East West University has developed its Wi-Fi zone within the campus. More than 54 Wi-Fi access points have been installed over the campus to support teachers, officials and students in cafeteria, indoor and outdoor common areas to establish a secure wireless network requiring access and password authentication. ICS maintains the service for smooth continuation of internal and external connectivity.

##### b) Lab Facilities

**Computer Lab:** EWU has established 5 (five) general computer labs equipped with more than 260 computers and network printers of various ranges. Among the labs, 4(four) labs are dedicated for the classes of different departments and 1(one) lab is fully dedicated for student practice. The operating support systems are Windows, Linux etc. The programming languages and package support

include C/C++, Java, Fortran, Oracle, MatLab, Visul BASIC, SPSS, Ms-SQL Server, MySQL, PHP, .NET etc through Information and Communications Services (ICS) section. ICS works directly under the office of the Vice-Chancellor to provide computer lab facilities to students and to maintain computer hardware, software, multi-media, network systems and email service of the university.

**High Voltage/Machine Lab:** This lab has state-of-the-art Lab-volt electro-mechanical training systems that can be used to carry out experiments on DC machines, transformers, induction motors and synchronous machines. The laboratory also has inductor, capacitor and resistor banks, single and three phase variable AC power supplies and various types of measuring instruments to conduct experiments.

**Electrical Circuit Lab:** This laboratory has advanced facilities for investigating behavior of AC & DC circuits which comprises inductor, capacitor and resistor banks, DC power supplies, digital storage oscilloscopes, trainer boards for circuit layout design, high frequency signal generators. The lab is also equipped with various types of measuring instruments and variacs to conduct experiments of electrical circuits. In addition, the lab is also equipped with true RMS (AC+DC) volt and current meters and a LCR meter with computer interface to facilitate research.

**Electronics Lab:** Work related to electronics & power electronics courses is performed in this lab. It is equipped with modern digital storage oscilloscopes, analog and digital trainer boards, signal generators, DC power supplies, measuring instruments like ammeter, voltmeter, digital multimeter, wattmeters and various types of IC chips, small-signal MOSFETs, BJTs and other semiconductor devices.

**Switchgear and Control Systems Lab:** Experiments and project work on switchgear, controls and data acquisition are done in this lab. The lab has five sets of ADVANTECH data

acquisition cards run by dual-core computers to detect various types of electrical faults and subsequent operations of relays on custom-made fault simulation boards. The lab also houses five sets of Siemens PLC (S7-1200) with necessary input/output modules and proprietary computer interface software tools. PLC sets are used to train students in modern industrial control systems.

**VLSI Lab:** Design and simulation type lab work is performed in the VLSI lab. It has more than 40 state-of-the-art dual core workstations and 2 servers running on both MS Windows and Linux platforms. A wide range of engineering and design software tools, including ADS, MAGIC, HSPICE, ANSOFT, MATLAB, PSPICE, etc are available in this lab. ADS, MAGIC and HSPICE are advanced industry standard EDA tools used worldwide in design and research. We have also purchased SILVACO TCAD tools. This is proprietary software developed for simulation of electronic & photonic devices, fabrication processes through a virtual clean room facility and for investigating complex behavior of any electronic circuits composed of any arbitrary designed devices. This is also industry standard software used throughout the world for design and analysis of electronic & photonic devices. Major electronic companies, such as, Intel, IBM, IMEC, Samsung, TSMC, all use this software. Leading universities in USA and Europe, including those in India (for example, IITs), also use this software to train their students in this field.

**Software Engineering Lab:** The Software Engineering Lab is equipped with a HP Server, 35 Lenovo desktop computers, and a multimedia projector. All the computers of the lab are networked and use JUNIPER switch. The lab provides a range of software to support lab classes and research work in the broad field of Software Systems including programming, database systems, information system design, software engineering, network security and high-performance simulation and modeling.

**Digital Systems & Microprocessors Lab:**

This Lab is equipped with instruments that include Oscilloscopes, Digital Trainer Boards, Analog Trainer Board, Micro-Controller Writer, Microprocessor Trainer Boards, Interfacing Adapters, Signal/function Generators, Multi-level DC Power Sources, Electronic Mother Board Drilling Systems and other supporting peripherals. It also provides hardware devices FPGA design, Project related to digital logic design, Digital Systems Lab, Computer interfaces and embedded systems.

**Telecommunication Lab:**

The purpose of the Telecommunication Lab is primarily to offer hands-on experience to students for training and research by providing them with scope for practical demonstrations and enabling exercises for courses in communications. The TMS equipment set constitutes an important part of this lab. This set consists of TMS-301 basic system, PC based virtual instruments, TMS-Interactices for simulation, and Emona TMS advanced modules. The lab also contains microwave trainers, DSP trainers, cellular mobile trainers, analog communication trainers, digital communication trainers and optical fiber communication trainers. The university is in the process of procuring professional software, HFSS for design and performance analysis of microwave devices and antennas. In the Telecommunication Lab, we have also highly sophisticated Signal Generator (100 KHz-3 GHz), Digital Oscilloscope, and Spectrum Analyzer (9 KHz-26.5 GHz).

**Computer Communications and Networking Lab:**

This lab has been established recently. It is equipped with one high performance server, twenty work stations, switches, routers, networking kits, radio equipment for short distance indoor and outdoor wireless networks, point-point XDSL/VDSL/HDSL and other supporting instruments.

**Physics Lab:** The Physics Laboratory is equipped with modern instruments for carrying out everyday physics experiments. The dark

room facility helps students in carrying out optical experiments.

### **Laboratory Facilities in the Department of Pharmacy :**

The Department of Pharmacy of East West University has seven laboratories including an advanced research laboratory. The laboratories are well equipped with modern and world-class equipment for individual practical courses. These laboratories also provide necessary infrastructure for research for B.Pharm. and M.Pharm. programs.

The Advanced Research Laboratory of the Department of Pharmacy is equipped with advanced research instruments to carry out analytical experiments as well as experiments in the molecular level. For analytical research, the laboratory has High Performance Liquid Chromatography (HPLC), Fourier Transform Infrared (FTIR) Spectroscopy and Gas Chromatography. The laboratory has a collection of thermocycler for the amplification of genes, an instrument for gel electrophoresis and Sodium dodecyl sulphate poly acrylamide gel electrophoresis (SDS PAGE) for protein analysis.

In addition to these sophisticated instruments, there are some other major instruments listed below:

Microplate photometer/ ELISA reader, Freeze Dryer, Incubator/CO<sub>2</sub> Incubator for cell culture

Laminar airflow cabinet for microbiological assay, High speed centrifuge machine, UV-VIS spectrophotometer, Polarimeter, Refractometer

Karl Fischer Titrator, Rotary evaporator, Single punch tablet compression machine, Capsule filling machine, Distillation apparatus, Dissolution tester, Disintegrator, Sonicator, High resolution microscopes, Autoclaves and Fundamental chromatographic instruments as well as other supporting equipments

To evaluate the pharmacological activities of different samples in animal model, Department of Pharmacy is currently developing an animal house where experiments on animal model as well as breeding of different species will be done.

### **The East West University Center for Research and Training (EWUCRT)**

**The East West University Center for Research and Training (EWUCRT)** promotes academic and applied research for creation and dissemination of new knowledge. Though it is a research organization in character, it executes multifarious activities to achieve its objectives. The EWUCRT is dedicated to develop the research potentialities of faculty members of EWU by continually motivating them to undertake research studies and publishing scholarly papers. It provides financial support to the faculty members in conducting research studies. The Center organizes and sponsors seminars, symposiums and workshops to facilitate dissemination and cross fertilization of knowledge. For the purpose of sharing research results with academia, researchers and policy makers, EWUCRT publishes two academic journals in the fields of humanities and social sciences, business and economics. The Center also designs and organizes short term training programs on research methodology to enhance the research capabilities of young professionals working in universities, academic institutions, government, and non-government organizations. During the last seven years (2007- 2013), EWUCRT has allocated about Taka five million to support faculty research and training, publications of research reports and journals and sponsoring of seminars and workshops.

The EWUCRT operates through a Research Committee comprising representatives from the Board of Trustees, Deans and Chairpersons of the academic departments. The Center is currently chaired by Dr. Rafiqul Huda Chaudhury, Member, Board of Trustees of the University. At present, Dr. Muhammad

Sirajul Haque, Professor, Department of Economics, EWU and Dr. Sardana Islam Khan, Assistant Professor, Department of Business Administration, EWU hold the positions of the Executive Director and Deputy Executive Director respectively. One research officer and one secretary assist the Center in carrying out its official activities. A brief description of the activities, particularly those carried out in 2013, of the Center follows next.

### Training Program

East West University Center for Research and Training (EWUCRT) organized a seven-week training workshop on research methods from August 22, 2013 to October 04, 2013. The aim was to develop research capacity and skills of junior faculty members. The program was designed to develop research skills in terms of identifying a researchable problem, literature review, research ethics, theoretical framework, hypothesis development, data collection and analysis.

The Center also organized the Orientation Program for new faculty members of East West University. The objective of the orientation ceremony was to acquaint the new faculty members with academic goals, achievements and practices of the university and to provide them with tips for most productive and pragmatic methods of teaching. The inauguration ceremony of the Training Workshop and the Orientation Program for New Faculty Members of East West University was held on Thursday, 22 August 2013 in the Faculty Lounge of EWU.

The certificate awarding ceremony of the above mentioned comprehensive training program on Research Methods was arranged by Center for Research and Training (CRT), East West University at the university premises on 16th November, 2013. Twenty-three participants received their certificates upon successful completion of the training program. Mr. M. Musharraf Hossain Bhuiyan, Cabinet Secretary, Government of People's Republic of Bangladesh graced the event as Chief Guest. Dr. Rafiqul Huda Chaudhury, Chairperson, Center for Research and

Training, East West University attended the ceremony as the Program Chair. Professor Ahmed Shafee, Vice-Chancellor of East West University distributed the certificates among the awardees. Dr. Muhammad Farashuddin, President, Board of Trustees and Founder Vice Chancellor of East West University extended his full support and cooperation to the program. The event was also attended, among others, by Professor Dr. M. Sekander Hayat Khan, Pro Vice-Chancellor, Professor Dr. M. Sirajul Huque, Executive Director of CRT, faculty members and students of East West University.

### Research Proposal

The Center calls for research proposals from faculty members, with the aim to develop the research potentialities and to motivate the faculty members for undertaking research studies and publishing scholarly papers. In response to the Call for Research Proposal Round 7, four proposals have been received from the faculty members of the university. One of these research proposals entitled, "Plagiarism Policies in Bangladeshi Universities: A Critical Perspective" by Professor Dr. Muhammed Shahriar Haque, Dean, Faculty of Liberal arts and Social Sciences, East West University has been approved for funding. The remaining three proposals are in the review process. Those are as below:

1. Susceptible Factors of Type-2: Diabetes in a Population of Bangladesh by Afsana-Al-Sharmin and Dr. M. Moslehuddin Ahmed, Department of Applied Statistics, EWU, Helal Uddin Ahmed and Munima Haque, Southeast University and Parvin Akter Khanam, Department of Epidemiology & Biostatistics, BIRDEM (Bangladesh Institute of Research & Rehabilitation in Diabetes, Endocrine and Metabolic Disorders).
2. Higher Dependency on Domestic Borrowings: Key Challenges for the Target Economic Growth and Debt Management in Bangladesh by Saiyeeda

Saniya Munim, Biplob Kumar Nandi and Gazi Quamrul Hasan, Department of Economics, EWU.

3. Does Fiscal Policy and Composition of Expenditure Matter for Economic Growth? A Panel Analysis for South-East Asian countries by Biplob Kumar Nandi, Quamrul Hasan, and Mir Tanzem Nur Angkur, Department of Economics, EWU.

The center has also released fund for two research proposals of round-6. Those are:

1. The Endangerment and Documentation of the Pankhua Language in Bangladesh by Zahid Akter, Department of English.
2. Knowledge of School Going Children on Disaster Risk Reduction by Md. Ekhtekharul Islam, Department of Social Relations, East West University.

Moreover, the center has received 23 research proposals for funding from the trainees of the Training Workshop on Research Methods. Among these 23 research proposals, 10 were submitted by the faculty members of the English Department, 7 from BBA Department, 4 from the Department of Social Relations and 2 from the Economics Department of East West University. These proposals are now in the review process.

### Academic Publications

#### Journals

Considering the growing importance and demand of quality research and scholarly publications of faculty members in the areas of humanities and culture, global business, marketing and sustainable development, EWUCRT publishes annually two academic journals-*East West Journal of Business and Social Studies* and *East West Journal of Humanities*. In the calendar year of 2013, the CRT published *East West Journal of Humanities (Vol. 3)*, 2012 and *Journal of Business and Social Studies (Vol.3)*, 2012. Furthermore, CRT has invited papers for its

fourth issues of both *East West Journal of Business and Social Studies* and *East West Journal of Humanities*.

The Center also publishes working papers, occasional papers and annual research abstracts of faculty members of the university in order to disseminate and share knowledge for the purpose of creating a strong intellectual bond and network among the faculty members of the university and the outside academic world.

### Abstracts of Published Papers

The Center for Research and Training (CRT) has published the Seventh Volume of the Abstracts of Published Papers 2012 on September 15, 2013. This publication is a collective effort of all the faculty members of the university. Our scholars have immensely contributed in areas of business, economics, social sciences, engineering, telecommunications, liberal arts, English language teaching (ELT), English literature, health, computer science, pharmacy, and technology. This volume contains abstracts of 44 research articles, of which 39 were published in international journals, one co-edited book and two book chapters, both of which were published abroad, and 8 international conference papers.

### Research Publications

#### Monograph

Dr. Rafiqul Huda Chaudhury, Chairperson, East West University Center for Research and Training, co-authored a monograph on, *Genderizing the census: Strategic approaches to capturing gender realities of a population*, with Dr. Meena Acharya. The monograph was published by United Nations Population Fund in July 2013.

#### Research Reports

In 2013, EWUCRT brought out two research reports. Those are:

- An investigation into Viewers' Evaluation of Advertisements by S. S. M. Sadrul Huda, Department of Business Administration, EWU.

## EAST WEST UNIVERSITY

- Practices of TQM in the Garment Sector of Bangladesh-An Empirical Investigation by Farhana Ferdousi, Assistant Professor and Saadia Shabnam, Senior Lecturer, Department of Business administration, EWU.

Moreover, one research report is in the pipeline:

- Presence of Pathogenic Organisms in Food Samples Collected from Fixed and Mobile Food Vendors around the Old & New Campus of East West University by Sufia Islam, Farhana Rizwan, Nishat Nasrin, and Muniruddin Ahmed, Department of Pharmacy, EWU, and Lutfun Nahar, Department of Social Relations, EWU.

### Seminars, Symposiums and Public Lectures

EWUCRT plays a leading role in organizing seminars, symposiums and public lectures on contemporary issues such as population and environmental concerns, good governance, globalization, social conflicts, social movements, marketing, media and sustainable development.

In order to disseminate knowledge among academics, EWUCRT organized two research seminars, which are as follows:

- Presence of Pathogenic Organisms in Food Samples Collected from Fixed and Mobile Food Vendors around the Old & New Campus of East West University by Sufia Islam, Farhana Rizwan, Nishat Nasrin, and Muniruddin Ahmed, Dept. of Pharmacy, EWU, and Lutfun Nahar, Department of Social Relations, EWU.
- A Time Series Approaches to Tax Revenue Forecasting: A Case Study of Tax System in Bangladesh by Biplob Kumar Nandi, Muntasir Choudhury, and Gazi Quamrul Hasan, Department of Economics, EWU.

### Consulting and Policy Research

The Center is open to the idea of carrying out applied and policy research in the areas of finance, corporate business, management, population and health, environment and ecology, and sustainable development in order to address the needs of multilateral, bilateral, and national organizations.

### Software Development Center (SDC)

The mission of the Software Development Center (SDC) is to provide EWU students with real-world experience in designing and developing quality software for offices, banks, institutions and industries. The Software Development Center at EWU is a member of BASIS (Bangladesh Association for Software and Information Services) and engages industry expertise for true software innovation. It has the potential to use the resources of the World Wide Web. SDC believes in simplicity and efficiency. It intends to integrate object-oriented programming (OOP) concepts with the World Wide Web by providing unique software development services along with training and mentoring programs of global IT standard.

### Career Counseling Center (CCC)

The Career Counseling Center provides appropriate guidance to students about their career plans. The center liaises with prospective employers and arranges internships and jobs for students and graduates. CCC works to place students with leading business organizations of the country, which can expand their activities by utilizing fresh mind imbued with modern skills and expertise. As a forerunner among private universities in Bangladesh, the Center endeavors not only to ensure excellence in education but also to help students find suitable careers.

CCC is a guide and mentor for students in helping them to develop their aims and building their confidence by arranging and organizing on a regular basis different on-campus job fairs, workshops, seminars, corporate presentations and symposia in

which students get to learn about formal writing, etiquette and grooming, successful interview techniques, corporate networking and how to succeed in the work place.

CCC is the meeting point for both career-seeking individuals and leading employers of the country and thus keeps the employability of East West University students high on the agenda.

### East West University Library

The East West University Library is an invaluable resource for students, researchers and for faculty of the university. It has been designed to meet the information, research, and curriculum needs of students, faculty, and staff members for research and development activities. The library has over the years built a robust collection of books, bound volumes, journals and newspapers, and many other resources like theses, student's project reports, CDs and videos.

The EWU library (Block-B: 6th floor), spread over 10,500 sq. ft., also provides access to the best digital resources through its subscription to various databases consisting of scholarly science, business, management relevant content. The library has network to provide business, environment, agricultural, economic, and academic information to the users.

### East West University Library Services

EWU Library provides the following services:

- Helps you find information that are unavailable elsewhere
- Encourages user to love learning and become lifelong readers
- Gives people a place to meet and for communities to grow
- Offers classes, programs and readings on literature and literacy
- Provides free Internet access

### Besides, the user can get the following services from the library

- Circulation Services
- Current Awareness Services (CAS)

- Selective Dissemination of Information Services (SDI)
- Reference Services
- Virtual Reference Services
- Referral Services
- Online Journal & E-books services
- Internet Service / Library Wi Fi Zone
- News Clippings Service
- Photocopy Service

### Library Automation

East West University Library is using Integrated Library Management Software (ILMS) koha for its automation, which is open source, free and developed in New Zealand. This software comprises several modules like OPAC module, cataloguing, acquisition, serial control, patron management, etc. This software can share its data with other library software using Z39.50 and MARC21 standards. It is a widely used Library Automation System throughout the world. EWU Library Vufind search tools for books, online journals and digital library resources from one focal point. To get access you may visit <http://opac.ewubd.edu>

To integrate all these tools and services EWU library redesigned its website using Drupal, a popular content management system. To get quick access to all resources of the EWU library, visit the following link:

Web address: <http://lib.ewubd.edu/>

### Digital Library

EWU Library is the first university library in Bangladesh that uses Greenstone Digital Library Software for building a digital library with a provision to implement Bengali version of this software. To maintain a world class standard, East West University Library has particularly chosen this software to build a digital library for this university. Greenstone Digital Library Software was successfully installed and implemented to serve the huge demand of digital information of the users as

well as the intellectual community of the country. Primarily EWU Digital Library contains news clippings, theses and some other sample collections. To get access to the digital library, visit <http://lib.ewubd.edu> and click Digital Library or <http://gsdl.ewubd.edu/>

### Social Networking Window

EWU Library introduced its Social Networking Window using facebook to provide specialized Information Services. Through this window anyone, particularly users of the EWU Library would get valuable information on different subjects, and updates about the library as well as EWU-for instance, notices regarding new arrival of library materials, events, news, seminars, workshops, library resources and services, and so on.

### Collections

The general collection consists of approximately 25655 volumes, including scholarly books, reference books, textbooks, pure reference materials, journals, magazines, statistical publications, as well as current newspapers and periodicals. General collections of EWU Library comprise books and periodicals related to the field of Business Studies, Economics, Liberal Arts, Social Sciences, Electrical and Electronic Engineering, Physics, Pharmacy, Computer Science, Mathematics, English Language and Literature, and Bangladesh Studies.

Books are placed in open stacks for the convenience of use and consultation. EWU Library maintains open access shelves to give enough choices to users so that they can select desired library materials. Users can go directly to stacks and look for their required materials. Library personnel are ready to assist in locating information, answer on-the-spot queries, guide and provide instructions in the use of catalogues, databases, resources, indexes, and abstracts whenever needed. Users can read books, journals, periodicals, newsletters, newspapers, etc. inside the library and are allowed to have books issued for use at home.

### Online Journals

Online journals, due to the advances in the World Wide Web, are now highly valuable resources for any research and academic institution. However, all these online journals are not available free of cost. EWU library has to subscribe world-renowned online journals, some of them directly from the publishers and some of them through consortia.

### UGC Digital Library Consortium

To enhance the quality of higher education and research, University Grants Commission of Bangladesh (UGC) launched the UGC Digital Library Consortium for the public and private universities in the country. East West University Library is a member of this consortium. As a member, we can access many online journal databases including emerald (<http://www.emeraldinsight.com/>), ACM Digital Library (<http://dl.acm.org/>) and JSTOR (<http://www.jstor.org/>) through our university library website on the university premises.

### Bangladesh INASP-PERI Consortium (BIPC)

The EWU Library is a member of Bangladesh INASP-PERI Consortium (BIPC) and is equipped to access it online. To access online journals, visit <http://lib.ewubd.edu/onlinejournals>

### E-Books

The EWU Library provides e-Books to its users through online services. They can easily

access this service through the following online links:

- Taylor and Francis e-Book bestsellers
- De Gruyter LIS books collection
- Project MUSE books 2013 complete collection

### Corporate Membership

EWU Library has corporate membership with Archer K. Blood American Center Library and International Federation of Library Associations and Institutions (IFLA). With these memberships EWU library users may avail borrowing facilities, search online public access catalog and online journal of those institutions.

### Workshop/Training

EWU Library organized workshops and training on contemporary issues and subjects related to library and information services i.e. electronic resources management, digital library, library automation, information literacy, etc. for the library professionals, health professionals and IT professionals to cope with modern technology and resources in library.

### Information Literacy Program

EWU Library organizes information literacy programs on a regular basis for their patrons to help them use library resources and services. The objectives of these programs are to increase interests and awareness among the library users about the library services. Thus, maximum utilization of resources is ensured.

### Other Facilities of the University

Other facilities of the university include:  
Spacious air-conditioned classrooms  
Free E-mail and Internet access  
Medical Center  
Prayer Room  
Cafeteria  
Study Rooms  
Separate Male & Female Common Rooms with indoor game facilities and television.

### Students' Welfare Department

Students' Welfare Department is a meeting place for students of East West University to participate in various aspects of academic life. The primary objective of the Students' Welfare Department is to emphasize the wholeness of the university experience through synchronized development of body, mind and spirit. It helps to enhance student experience through 'out of classroom learning' and through extra-curricular programs. Under this organization, we have 18 clubs, which are supervised by moderators who are faculty members of East West University. The clubs give opportunities to students to discover their hidden potential. Here students are able to develop their interpersonal skills by working in groups; they are also able to develop their organizational and leadership skills.

### The names of the 18 (Eighteen) clubs are:

1. EWU Agro-Industrialization Club
2. EWU Business Club
3. EWU Computer Programming Club
4. EWU Creative Marketing Club
5. EWU Club for Performing Arts
6. EWU Debating Club
7. EWU Electronics Club
8. EWU English Conversation Club
9. EWU Environmental & Social Club
10. IEEE Student Branch, EWU
11. EWU MBA Club
12. EWU Pharmacy Club
13. EWU Photography Club
14. EWU Rotaract Club
15. EWU Science Club
16. EWU Sports Club
17. EWU Telecommunication club
18. Alfa-Beta Statistics Club

### Major activities of these clubs include:

- Seminar and workshops
- Study tours
- Community volunteer work

## EAST WEST UNIVERSITY

- Club fairs
- Cricket, Football and Indoor Games Tournaments
- Celebration of national and international events such as Pohela Boishakh, International Mother Language Day, Independence Day, Victory Day
- Drama
- Cultural programs
- Voluntary blood donation campaigns
- Art, photography and hobby exhibitions
- Competition in art, debate, music, photography, computer programming, Business plan
- Research
- Help groups/ help sessions

### Scholarships and Financial Aids

Since its inception, East West University has been awarding merit scholarships and need-based financial assistance to deserving students. Each year the university distributes at least 9% of its total earnings among 20% or more of its regular students. Such scholarships/financial assistance including Family Concession and Freedom Fighters' Scholarship are not available to those students who have already spent the normal study time required for the programs for which they are enrolled (e.g. Bachelor's degree program students are not eligible for any type of scholarship/financial aid beyond the four years that are required to complete the course as a regular student). No student of the university is entitled to benefit from more than one scholarship/financial aid scheme of any type at any point of time.

According to the provision of the Private University Act, 2010, private universities are required to provide scholarships to 6 (six) percent of their enrolled poor but meritorious students (of which 3 percent is reserved for the wards of freedom fighters). Since its inception, the founders of East West University have adopted a policy of not only not paying any profit or dividend to themselves but to use a good proportion of its operating surplus towards nurturing merit and providing financial support to students in need. In the last

seventeen years, the scholarships and financial aid policy adopted by East West University has become sources of great encouragement to meritorious but financially constrained students. The academic world has greeted this policy pursued by East West University enthusiastically.

**Benefits to students are awarded in the following ways:**

#### 1. Merit Scholarships

EWU has generous merit scholarships /financial aid programs. A sum of Taka 4,42,34,142 (four crore forty two lakh thirty four thousand one hundred and forty two) only was awarded to 1050 students in 2012-2013 alone. Full-year tuition waiver merit scholarships (for a maximum of one-fourth of the total credit requirements of the program for undergraduate students) were awarded to:

(i) Top scorers in undergraduate admission tests with a minimum score of 75% marks: five (5) from the Faculty of Business and Economics, and four (4) from the Faculty of Sciences & Engineering and one (1) from the Faculty of Liberal Arts and Social Sciences. Top scorers in graduate admission tests with a minimum score of 75% marks: one each in MBA and Telecommunication Engineering, provided that at least 20 students get admitted to the program.

The continuation of this scholarship is contingent upon maintaining a minimum CGPA of 3.50 and abiding by the rules and regulations and the University's Code of Conduct for students at all time.

(ii) Candidates securing GPA 5.00 (excluding 4th subject) in both SSC and HSC (in the most recent relevant examination year) will be awarded 100% Merit Scholarship at entry level for 4 years subject to qualifying in the admission test and maintenance of minimum GPA of 3.50 in each semester as a regular student.

(iii) Candidates securing 7 (seven) A's in 'O' Level Examinations (at one sitting) and 3 (three) A's in 'A' Level Examinations (in one year) will be awarded 100% Merit Scholarship at entry level for 4 years subject to qualifying in the admission test and maintenance of minimum GPA 3.50 in each semester as a regular student.

(iv) Divisional Quota: One poor but meritorious student from each Division securing GPA 5.00 in the most recent SSC and HSC Examinations will be awarded a full-tuition free Merit Scholarship with lodging for four years of study at EWU subject to qualifying in the admission test. The continuation of this scholarship is contingent upon maintaining a minimum CGPA of 3.00 as a regular student and abiding by the rules and regulations and University's Code of Conduct for students at all time.

(v) Candidates scoring GPA 5.00 (including 4th subject) in the immediate past SSC & HSC examinations will be awarded 50% waiver of Tuition Fees as Merit Scholarship at entry level in Undergraduate Programs for first 1 (one) year, subject to fulfillment of the following requirements:

- a. Success in the EWU Admission Test.
- b. Maintenance of minimum GPA of 3.50 in each semester as a regular student.
- c. Following East West University's Disciplinary Code for Students at all time;

(vi) 100% free merit scholarship to the students who receive Undergraduate degree from EWU with a CGPA of 4.00 for a maximum of two years for study in Graduate programs at EWU subject to maintenance of CGPA of 3.50 at all time as a regular student, to continue the scholarship. EWU provides the same benefits under the same terms and conditions to the students having first classes in both Honors and Masters from public Universities who get admission to Graduate programs on a case by case basis.

(vii) A committee has been formed to assess and recommend for scholarship/financial aid for students who are from overseas and who come from other systems.

(viii) Top 10% students (10% of the actual number of students of each batch of each department enrolled during the immediate past year or two semesters for one year programs, whichever is applicable) of each batch of each department of undergraduate programs who have completed at least one-fourth of the total credit requirements of the program during the immediate past year with a CGPA of 3.90 and above will get full-tuition free Merit Scholarship for equal number of credits to be adjusted in the next three consecutive semesters.

All undergraduate students must register for at least 9 credits in a semester. The requirement is 12 credits for students of B.Pharm Program.

On the basis of the above principle, students of graduate programs also get Merit Scholarship but requirements of credits for the scholarships vary depending on the total credits of the program and the length of the program.

In case of a batch where 6 or less students fulfill the scholarship requirements (i.e., completed at least one-fourth of the degree requirements with a CGPA of 3.90 or better), only the top student will be entitled to receive one scholarship. The award will go to the best performer among students securing a CGPA of 3.90 or better. For calculation of the number of scholarships in each batch, the number will be rounded up if the fraction is 0.5 or above.

Merit Scholarships are extendable, subject to fulfillment of requirements (viii) above. To avail Merit Scholarships undergraduate students must register for at least three courses (9 credits) in each semester. (For the students of B.Pharm this requirement is at least four courses) The Merit Scholarship will be discontinued if any student of the

### 2. Trustees' Scholarships

A Trustee may award 200% tuition fee waiver to two students (100% each) or more than two students distributing this 200% at his/her discretion in each semester or a Trustee may award a maximum of up to 18 credits of tuition fee waiver in each semester or higher as per requirements under his/her discretionary quota. The unutilized credits of any semester can be carried forward to other semester(s) within the same academic calendar year.

### 3. Financial Aid

#### (a) General

At the beginning of each semester, the university considers applications on prescribed forms for the granting of financial aid to deserving students on a need-cum-merit basis.

Undergraduate applicants who have completed at least one-fourth of the total credit requirements of the program during the immediate past year with a minimum prescribed CGPA of 2.70 and with demonstrated financial need are offered financial assistance to cover part of the tuition fees.

The actual amount depends on the number of applicants and the availability of funds. This is by far the largest component of the funding support, both in terms of the amount of money as well as the number of recipients. Financial assistance is also extendable on fulfillment of the above requirements.

#### (b) Family Concession

When two siblings (sons and/or daughters of the same parents)/husband-wife study simultaneously at East West University, the second sibling/spouse is entitled to a half-tuition waiver. However, both must be admitted full-time into regular programs and both the sibling/husband-wife must study within the normal study time (the stipulated time for completing degree) required for the programs in which they are enrolled. The benefit commences on the date of admission of the second sibling/spouse and ceases on the

discontinuation of the study of any one of them in EWU, after his/her Graduation/Dismissal/Suspension/Voluntary Withdrawal etc. or for any other reason. This benefit may extend up to the third sibling under the above-mentioned conditions.

Any one out of two siblings/spouse will be entitled to get either merit scholarship (if eligible) or half tuition fee waiver or financial aid (if eligible) whichever they prefer.

If either of the siblings/spouses maintains a minimum CGPA of 2.70, while the other maintains a minimum passing CGPA (2.00 for Undergraduate Programs, 2.50 for Graduate Programs), the sibling/spouse benefits will be awarded and continued for the one who maintains the CGPA of 2.70.

In case of the newly admitted students, if the first sibling/spouse can maintain the minimum CGPA of 2.70 the sibling/spouse benefits would be awarded to the second sibling/spouse provided the first sibling/spouse is not currently receiving any merit scholarship/ financial aid from EWU. When both the siblings/husband-wife (both are newly admitted students) are admitted in the first semester at a time, sibling/spouse benefits will be awarded to the second sibling/spouse without applying the credit and CGPA requirements for them in the first semester. Credit and CGPA requirements will be applicable for them from the second semester.

Scholarship/financial aid/sibling/spouse benefits or any other financial benefits at EWU are not awarded simultaneously. However, a winner of Merit Scholarship, may enjoy the scholarship by surrendering the sibling/spouse or other benefits, that is any one out of two siblings/husband-wife will be entitled to get either merit scholarship (if eligible) or half tuition fee waiver or financial aid (if eligible) whichever they prefer. The benefits will be awarded at the time of Registration of Courses of both the siblings/husband-wife.

### (c) Freedom Fighters' Scholarship

As a mark of respect to the valiant freedom fighters of the War of Liberation and Independence, the university reserves 3% admission quota for the wards of freedom fighters of all categories, subject to their fulfillments of the minimum admission requirements at East West University. The university also considers maximum 100% tuition waiver scholarship to the wards of wounded, deceased and financially needy freedom fighters, subject to the fulfillment of the following requirements:

The candidate must qualify in the EWU admission test; the candidate must provide proof that his/her parent was a freedom fighter. The Tuition Fee waiver as above will then be continued provided that the CGPA in each semester remains 2.70 or more.

To avail financial aid, undergraduate students must register for at least three courses (9 credits) in each semester. For the students of B.Pharm this requirement is at least four courses or 12 credits. Financial aid is discontinued if any student of undergraduate or graduate program violates the East West University Disciplinary Code for students and/or if his/her CGPA falls below 2.70.

The same is applicable for the siblings and other similar cases and for Freedom Fighters' Scholarship.

### 4. Benefit for EWU Employees

If the children of the employees study at EWU, only one child of an employee will be granted 50% tuition fee waiver during the entire tenure of the employee's service at EWU subject to fulfillment of admission and all other criteria for study at EWU. Granting of this tuition fee waiver will be effective on admission of the student but its continuation will be subject to fulfillment of Financial Aid requirements.

### 5. The Medha Lalon Fund

In order to be able to extend further support towards nurturing merit, particularly to students from middle-class background, to female students, and to students from outside the metropolis, the Board of Directors of East West University set up in 2002 a scheme called the East West University Medha Lalon Fund with an initial endowment of Taka one and a half crore. The Board has also sanctioned an amount of Taka one crore thirty lakhs from the operating surplus of the university for the Fund. This is in addition to the disbursement each year on regular components such as the merit scholarships and financial aid. Several philanthropic persons/organizations have contributed a combined amount of Taka twenty-seven and a half lakh to the Medha Lalon Fund. This need-cum-merit based financial aid is awarded from the annual earnings of the East West University Medha Lalon Fund deposited in a lucrative five-year interest earning Scholarship Deposit Account of Mercantile Bank.

#### The following scholarships are currently being offered under the Medha Lalon Fund scheme:

## EAST WEST UNIVERSITY

The East West University Medha Lalon Fund is administered by the Financial Aid Committee of the university. To procure such aid, students must apply on a prescribed form. Applications are processed based on information provided by the applicants and according to the criteria set by the university and is subject to change at its discretion. Selection of scholars and financial aid beneficiaries is done through a computerized system that ensures full transparency.

The Financial Aid Committee keeps Medha Lalon Fund donors informed about the operation of the funds on a regular basis. The Committee arranges meetings with East West University Medha Lalon Fund donors to apprise them of operating procedures, scholarship awards and performance of scholarship awardees as well as to seek guidance from them.

As is evident from the table below, the university policy is rather generous in nurturing merit since an increasing percentage of tuition revenue is ploughed back and goes to deserving students. It is worth mentioning that the university, as a matter of policy,

encourages enrolment of suburban and rural students who are also, therefore, beneficiaries of the scholarship and financial aid awards. Furthermore, the university has also been consciously endeavoring to increase the proportion of female students who benefit from scholarship and financial aid programs.

The table below shows the number of recipients/beneficiaries of various scholarships, financial aid programs and amount of scholarships distributed during the last five years.

Data in table show a declining trend in terms of both the number of recipients and the amount of scholarship disbursed. This is mostly due to declining number of students meeting the criteria for such Scholarships and Financial Aid. However, these figures (i.e. number of scholarship recipients and amount of scholarship) have been increased significantly from the academic year 2011-2012 with the introduction of 100% Scholarship for the wards of Freedom Fighters, relaxation of Merit Scholarship criteria and various other pro-scholarship schemes.
