

EWU Observes World Environment Day

East West University Environmental and Social Club recently organised a day long programme to observe the World Environment Day.

Professor Ahmed Shafee, vice chancellor, EWU inaugurated the programme while SSM Sadrul Huda, assistant professor, Department of Business Administration and moderator of the club coordinated the activities. The programme included a children's art exhibition on environment, a quiz and a

game show. A large number of students participated in this day long event. The Vice Chancellor emphasised the need for such occasions to create awareness about the need to conserve a congenial environment, not only for aesthetic reasons, but also to ensure a good quality of life in harmony with nature. ■
